## Computer Science & Engineering Events

---

### The Programs conducted by Department of Computer Science & Engineering

- The Department of CSE & IT has planned to conduct a seminar on “CRYPTOGRAPHY AND NETWORK SECURITY” on 28-08-2015 at 10.00 am for IV year students.
- M.I.E.T. Engineering College, Departments of Computer Science & Engineering and Information Technology have organized a Guest Lecture Program on 20.08.2015 at 10.30 am in our college premises.  
Er. A.Mohamed Yunus, Chairman, M.I.E.T. Institution has felicitated the function and Dr.M.Y.Abdul Jaleel, Vice Chairman, M.I.E.T. Institution has delivered the special address to the third & final year Computer Science & Engineering and Information Technology students.  
The Chief Guest Mr.R.Vijayalayachozhan, M.E., Branch Head, Elysium Technologies, Trichy has given Lecture on “New Trends in Multimedia”. During the program he explained about the current issues in multimedia field and various placement opportunities in these sectors. The event was very successful and useful to the computer science and Information Technology students.  
Dr.S.Guharaja, Principal, M.I.E.T. Engineering College has introduced and honour the Chief Guest. The program has been arranged by Mr.D.Yuvaraj, HOD / CSE & IT.  
The program starts with welcome address and end with vote of thanks delivered by Mrs.K.Geetha, Associate Professor of Computer Science and Engineering.
- The Department of CSE organized one day National Level Technical Symposium on 19-03-2015. Students from various college participated in events like Paper Presentation, Technical quiz, Word Crackers, Connexion and Multimedia. Around 75 papers from in and around college was received out of which 10 were scrutinized by our core committee members. Paper presentation was headed by Dr.S.sathiyadevi, Prof University college of Engineering. The function was inaugurated by Ganesh Ramakrishnan Managing Director and Head of Delivery & Operations, iLink systems, Trichy. Principal Dr.S.Guharaja addressed the gathering. The valedictory was addressed by Dr.Sheba Kezhia Malarchelvi prof and Head CSE JJCET.

- A guest lecture on "Principles of Compiler Design" by Dr.M.Sujaritha, Associate Professor, CSE, JJCET on 14-02-2014 at M.I.E.T Engineering College.

- A guest lecture on "Data Warehousing and Mining" by Dr.S.Nickolas Associate Professor, Head, Department of Computer Applications, NIT, Trichy on 08-10-2013 at M.I.E.T Engineering College.

He gave an exposure to Data Warehousing and Mining and discussed topics like Classification of Data Warehousing and Mining, Clustering and Association Rule Mining and its real time applications.

HOD welcoming the gathering

Guest Lecture Delivered by Prof. Dr. S. Nickolas
