## Agreement for Annual Software Maintenance Services

Period: 21 January 2006 to 31 Dec 2006

Nirmal Institute of Computer Expertise (NICE), 96 St Mary's Top, Tiruchirapalli 620 002, Tamil Nadu, India (hereinafter "Vendor") and The Secretary, MIET  
Trichy

(hereinafter "Customer") hereby agree that the following terms and conditions shall govern all cases in which Vendor personnel furnish assistance to the Customer in the installation or use of data processing equipment.

### SERVICES

This Agreement shall cover all assistance in the installation or use of data processing equipment and programming provided by Vendor personnel at the Customer's request, including, but not limited to, special studies, any programming and application design, development, and modifications, systems analysis and design, conversion and implementation planning, and installation evaluations. These services may be performed at either the Customer's or Vendor's premises, at the exclusive option of Vendor and Vendor's judgment as to where said services shall be most effectively performed. All requests for services shall specifically reference and be subject to this agreement, whether requested verbally or in writing.

Specifically, this Agreement provides for emergency corrections to Customer's programs and inspection of Customer's data files, operating system software, and language software by Vendor. Said corrections will be both preventative and remedial, and will include up to specified maximum amounts of time devoted by Vendor personnel as specified below. Time may NOT be accumulated month to month.

Customer Operating System : WindowsXP/2000

Customer Language System

Customer Hardware Description Server/Clients

Maximum Hours on Customer's Services by Vendor (Quarterly):

Maximum Hours of Phone Support by Vendor to Customer(Monthly):

Fee Estimate for Inspection of Customer's Systems :

### TERM

This Agreement shall be effective from the date on which it is accepted by Vendor and shall remain in force until terminated by either party on thirty (30) days prior written notice, except that non-payment of annual service charges or other charges billed under this agreement shall be cause for immediate termination. Completion of any specific services or Customer's failure to order additional services hereunder shall not terminate this agreement, it being the intent of the parties to leave this Agreement in effect in the event of future orders for services.

Plan, Prepare and Proceed.  
Do It Once and Do It Right.  
And never settle for second best.

# NIRMALS®

Network Information Resources Management of Academic Library System

## Bibliothèque tour de force

- Sets a paradigm for Map(Multi-access points) to library resources
- Superior by Futuristic Design & Archetypal Functionality
- Ranking among top-notch international client/server packages in features.
- Incorporating ISO 9126 Software Quality Modular Aspects: Functionality, Reliability, Usability, Efficiency, Maintainability and Portability
- Data-structure and format based on ISO standards: ISBD, AACR2, Marc21, ISBN, Language 639-1988, Country 3166 & Bibliographic Exchange Format 2709.
- Compatible with ISO Z39:50 client in export/import bibliographic data
- Display catalog in multi-lingual formats through UTF-8.
- Runs on #1 RDBMS Oracle 11g Release 2 / MS SQL Server 2008 / MySQL Community Server.Graphic User Interface with Visual Studio 2013 (.Net). WebPAC using JSP, ASP and PHP.
- Deploys WebPAC on dual platform (Linux and Windows).
- Exports and Imports Bibliographic Records in Marc21 format.
- NICE's Capstone TeamLab has 25 years of expertise in the software design/development field.
- India's premier University / College/ Religious Libraries prefers NirmalSuite 2014.
- More than 350 clients would vouch for the high standard of the package.
