1.3.2 Average percentage of courses that include experiential learning through project work/field work/internship during last five years

1.3.2.1. Number of courses that include experiential learning through project work/field work/internship year-wise during last five years

Tabulated list of courses having experimental learning through project work/field work/internship, program wise, for each year, for all the 5 assessment years, showing sl. no., name of course, name of program, no. of. students, department, date, year, duration and location.
