One Hour Online Programme with ICT Academy in Employability Skills for the Future

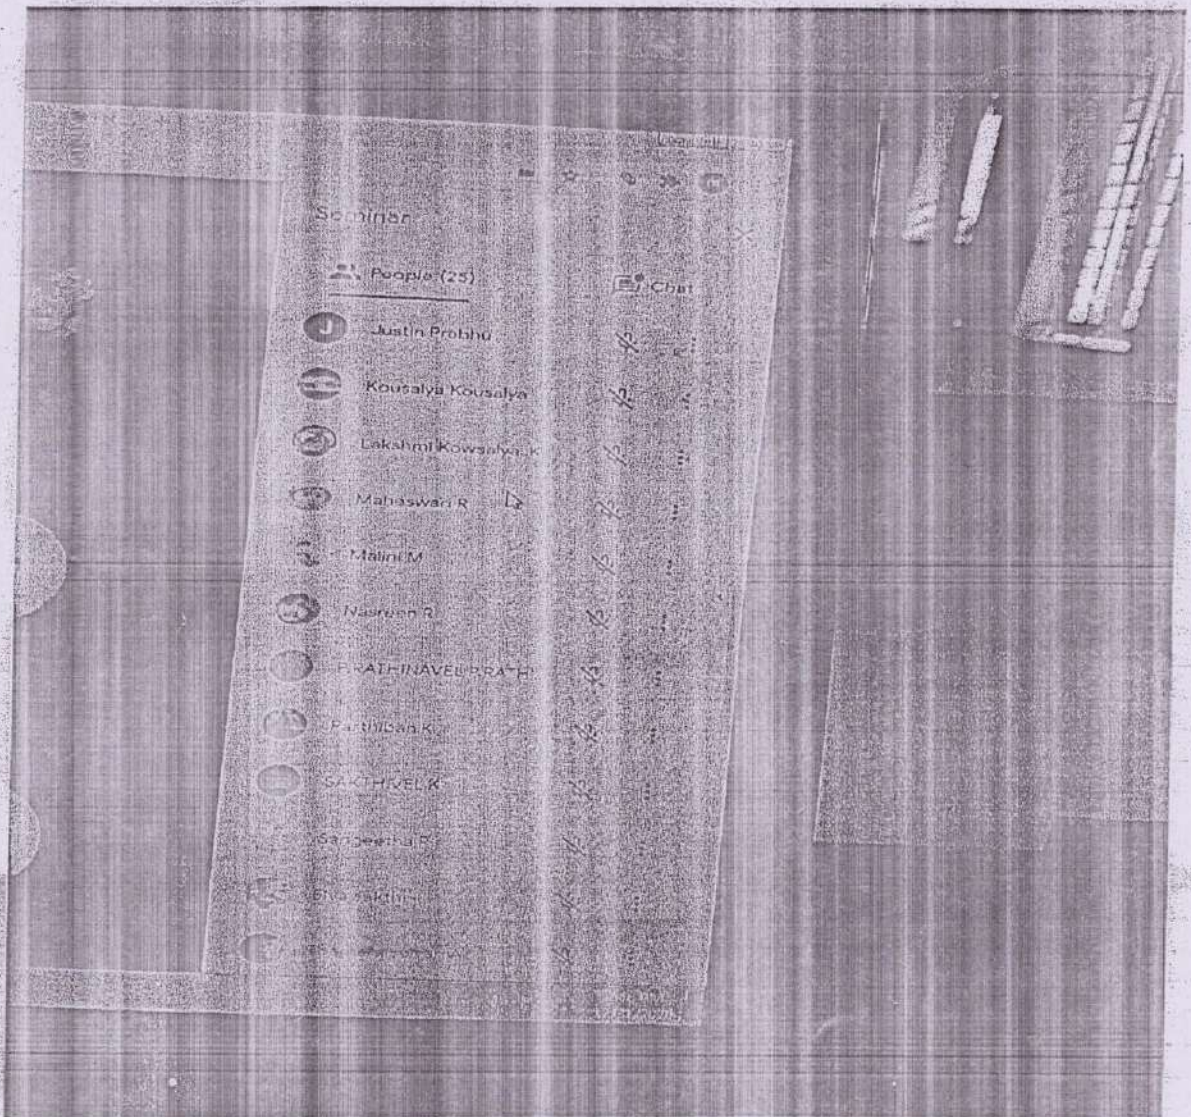

MIET Engineering College conducted one hour Online Programme on 31/12/2020 in Concert with ICT Academy on Employability Skills for the students of all the departments from 2.00 pm to 3.00 pm. Dr.V.Chandrasekar, HOD/CSE, M.I.E.T Engineering College presided over the function, welcomed the gathering, briefed about the ICT academy and introduced the speaker Mr. Prasanth, Devops Lead of ICT academy.

25 Students of MIET Engineering College attended the programme and gained knowledge on Self Employability.

During the programme, many real time examples were discussed. It included topics that provided the complete knowledge about how to begin self employability and how to think like an entrepreneur and what are the ways to develop employability skills. His speech was used to trigger the students to start their career as entrepreneur.

Respected Sir,

Sub: Reg - Hostel Accommodation for Three Days Workshop on 27th, 28th & 29th February 2020.

I would like to inform you that our department has planned to conduct Three Days Workshop in "ADVANCED ETHICAL HACKING" as Inter-College event in association with Ozone Cyber Security, Ernakulum on 27th, 28th & 29th February 2020. In this regard, I request your good self to kindly provide Men's Hostel & Ladies Hostel Accommodation for other district students on those days (27th, 28th & 29th February 2020).

A Detailed discussion had with the Polytechnic College Principal for Men's Hostel & Engineering College Principal for Ladies Hostel regarding accommodation, it was already decided to give accommodation free of cost and the polytechnic principal informed as to collect an amount of Rs 120/- per day from the outside participants for food expenses. Hence I request your goodself to kindly give approval for accommodation and food for proceeding further.

Sub: Submission of a National Level Workshop (Fund Generation Program) on Ethical Hacking for approval -Reg.,

- The Department of Computer Science and Engineering feels pleasure to submit the proposal for National Level advanced Ethical hacking workshop for outside Polytechnic and Engineering College students and faculties on 27th, 28th & 29th February 2020.
- The objective of the proposal is to promote our institution to the next higher level, this program ultimately helps for lateral entry admission and also there will be a monitory benefit to our institution.
- This workshop is going to organize in association with Ozone Cyber Security (already signed MoU) .The Participants are invited with promotional activity on both sides.

PROPOSAL FOR THREE DAYS WORKSHOP

Estimated Cost per student:	Rs.2000
Estimated student strength:	150-200
Deliverables:	Two or Three Night Free Accommodation and food for 50 participants will be required.
	Lunch(3 Days)
	Certificates
	USB Code Injector Kit
Expected Minimum Student Count is 120	Rs.2,40,000
Profit Estimated after expenses	Rs.2,40,000 - Rs1,32,600=Rs1,07,400

After detecting the expenses, the balance profit amount may be dividng into 60% for M.I.E.T Engineering College and 40% for Ozone Cyber Security.

Herewith enclosed a detailed budget report for your kind perusal and consideration. It is requested to kindly approve the proposal and budget.

Workshop on Three Days-“Advanced Ethical Hacking”

Sir,

Department of Computer Science and Engineering, M.I.E.T. Engineering College has conducted Three Days Workshop on the topic of “Advanced Ethical Hacking” on 27.02.2020 to 29.02.2020 in our college campus.

Alhaj Er. A. Mohamed Yunus, Chairman, M.I.E.T. Educational Institutions presided over the function and delivered the presidential address.

Dr.V.Chandrasekar, HOD, Department of CSE, M.I.E.T Engineering College welcomed the gathering. Dr.T.Karthikeyan, Director (P&D) and Dr.A.Naveen Sait, Principal, M.I.E.T. Engineering College gave the felicitational address. Mr S.Vivek Chief Executive Officer, Ozone Cyber Security, Ernakulam, Kerala was the Resource person addressed about technical part of the Ethical Hacking workshop with detailed Hands on training given to the students, which was very much useful for the students to do their real time application projects in various platform such as Network Security , Data security and Data science.

In his session students were informed about how to secure and maintain the data in cyber crime and the awareness was provided against the hacking and cyber crime. The Students was taught by providing security for laptop, desktop and mobile devices and also they could know about how to protect themselves from the cyber attacks. All the students are keen enough listening entire session and put their involvement in hands on sessions. In particularly students understand the online security related information about personal and confidential data.

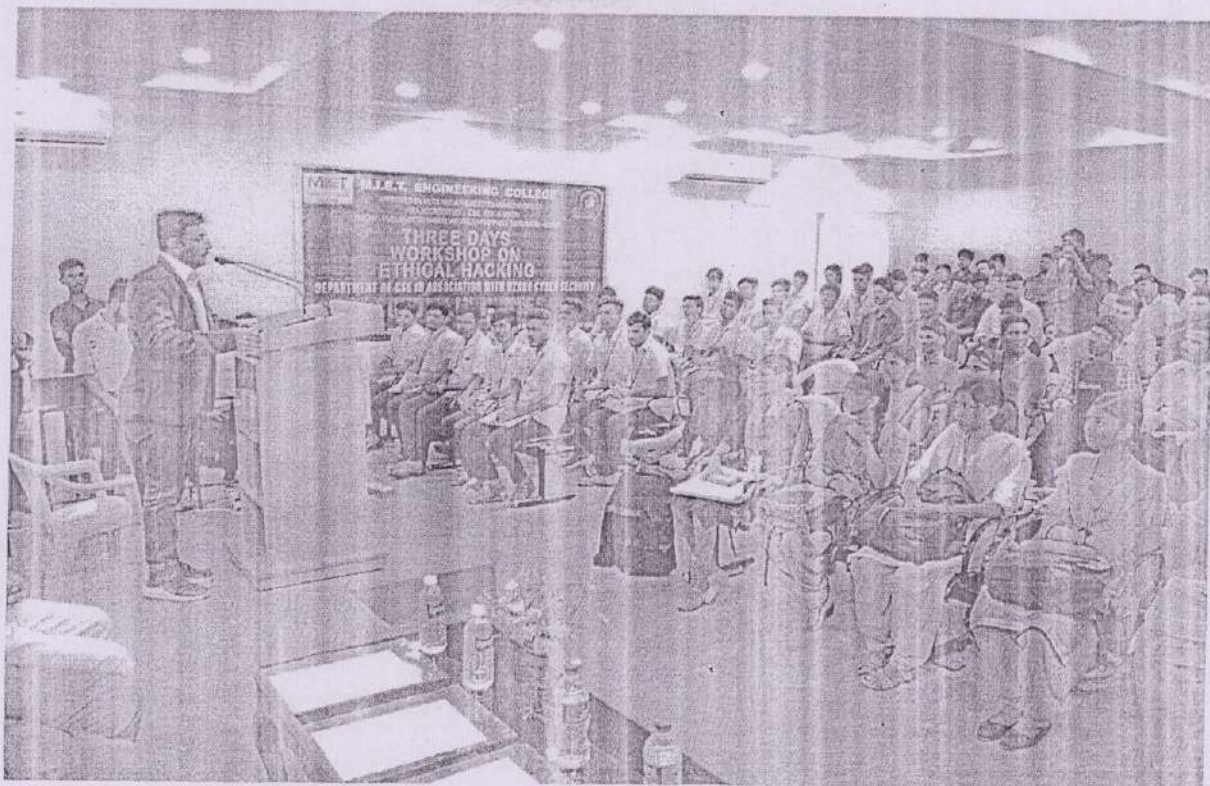

Finally Mr A.Joshua Issac Assistant Professor CSE, delivered the vote of thanks

We kindly request you to publish this news in your esteemed Newspaper.

DEPARTMENT OF MANAGEMENT STUDIES

January 27, 2020

Submitted to the Respected Chairman for Approval

Through: The Principal,
M.I.E.T. Engineering College.

Respected Sir,

Sub: Requesting permission to organize a programme for enhancing Management skills in the name of "Prentice Bazaar" to MBA students at our campus - Reg.

As one among the programmes, it is proposed to organize a market place by our MBA students in the name of "Prentice Bazaar". The major objectives of this programme are to develop entrepreneurial, marketing, production, purchase and financial management skills. It is a one day market in which students are going to arrange various stalls by investing their own money and making sales. The target customer may be the students and staff members of M.I.E.T Institutions. Through this Bazaar the students will have the practical exposure on organizing a market place, management of stalls, procurement of raw material, and effective utilization of finance. This programme may be helpful for branding our MBA department among M.I.E.T Arts students and MBA aspirants in engineering departments.

In this regard, we request your goodself to grant approval for organizing "Prentice Bazaar" in our M.I.E.T campus to our MBA students and also permit us to collect an amount of Rs. 400 per stall from the student participants as entry fee.

Thanking you.

Yours faithfully,

Ms.C. Subha

DEPARTMENT OF MANAGEMENT STUDIES

Date: 17.02.20

The Department of Management studies has organized one day Students' Bazaar in the name of Prentice Bazaar'20 on 12.02.2020 from 9.30am to 5.00pm at our MIET Engineering College Campus. Students from both I & II MBA participated and arranged stalls by their own and sold products and services. The major objectives of this programme are to develop entrepreneurial, marketing, production, purchase and financial management skills. Students of MBA alone were permitted to set-up stalls and they paid Rs.300 to MBA department as tariff for setting a stall. There are 16 stalls were setup by MBA students and each stall managed by 4 -5 students. In this Bazaar, they offered Books stalls, food court, Garments, cosmetics, Mind Games, Beverages, Electronic & Mobile accessories, Stationary items, Flowers, Jute bag, etc..

It gives them huge exposure, a deep insight of doing big scale events and is also a learning experience. They can gain creative and marketing skills which can help them when they graduate and organize events themselves. An awesome ambience was created in the campus as it was beautifully decorated with colourful ribbons.

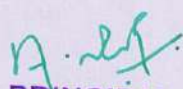

Through this one day Bazaar, Our MBA students gained the practical exposure about organizing a market place, management of stalls, procurement of raw material, and effective utilization of finance. This programme helped for branding our MBA department among students of M.I.E.T Institutions and MBA aspirants in engineering departments. Around 2500 students and 150 Staff members from MIET Arts & Science, Engineering and Polytechnic were visited and enjoyed shopping experience with their friends.

PRENTICE BAZAR: AN ENTREPRENEURIAL EXPERIENCE OF MBA STUDENTS

Date: 12.02.2020

Organizer: Department of MBA

Resource Person: Er. A. Mohamed Yunus B.E.,M.Sc(Engg).,

Founder and Chairman, MIET Institutions

Objectives of the Program:

- To help the individuals to develop essential skills required to run a business successfully.
- To help the participants in enhancing their abilities and acquiring skills necessary for fulfilling their roles and responsibilities as an entrepreneur.
- To help the participants to understand the importance of entrepreneurial discipline required to develop a sense of responsibility in them.

Outcomes:

- Through this programme, the budding entrepreneurs are highly-educated but they lack the discipline required to start a business. The program gave a clear picture on the discipline to be followed while running a business entity.

Report on "Entrepreneurship and Innovation as Career Opportunities"

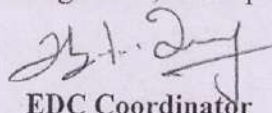

Organized by Entrepreneurship Development Cell
on 11.10.2019 at 11.00 a.m in "C" Block Seminar Hall.

**Resource Person: Prof. Belin A Jude AP/CIVIL Coordinator (EAC),
Coordinator ED Cell.**

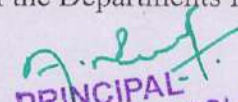

The program commenced with a welcome address and introduction of resource person by Dr.X. Susan Christina. Entrepreneurship Development program titled "Entrepreneurship and Innovation as Career Opportunities" was organized on 11.10.2019 at 11.00 a.m in "C" Block Seminar Hall for Final B.Tech (ECE/EEE) & MBA Students.

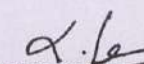

Prof. Belin A Jude AP/CIVIL Coordinator (EAC), Coordinator ED Cell in his opening remarks said that the students should make use of resources to the fullest and enjoy the entrepreneurial journey. Speaking about Self Development Mr. Reddy said that it is an excursion that any individual who needs to exceed expectations in life must take. It doesn't make a difference in what range you need to exceed expectations and advance, regardless of whether it be in business, work, examinations, marriage or deep sense of being. He added, 'All aspects of our lives can just genuinely enhance on the off chance that we assume liability for their change. The best area of such change that will affect every single other part of our lives, is enhancing ourselves. This can be at a few levels: Enhancing your KNOWLEDGE; enhancing your SKILLS'.

Speaking about Entrepreneurship, *Prof. Belin A Jude* said, 'First, dream and set the objective. There is a quote that says, think ambitiously and continue thinking ambitiously. Bill Gates, the founder of Microsoft envisioned that one-day individuals would have their very own PC. People chuckled at him and his fantasy is currently a reality. If we dare to dream, we can turn the fantasy to a reality through diligent work and assurance. With innovation, a disaster area can be ended up being a profitable thing. Moreover, amiable and outgoing individual identity is on a very basic level required in maintaining a business. He concluded that all self-improvement begins with self-growth in the area of our knowledge. 'In any case, it is clear from this that enhancing your abilities initially requires enhancing your insight. In this manner we can reason that all self-change starts with self-development in the territory of our insight.' The program received an overwhelmed response with the participation of **142 students**. Entrepreneurship Development Cell extends sincere gratitude to the Management, Principal, and Head of the Departments for their support.

ENTREPRENEURSHIP IN MOBILE SERVICING - TECHNIQUES FOR SMART PHONE SERVICE AND TROUBLESHOOTING

Date: 04.10.2019 & 05.10.2019

Organizer: EDC in collaboration with IETE student's forum.

Resource person: Mr.R.Karthi, New Technology, Mobile Service & Training Institute, Coimbatore

Objective of the Program:

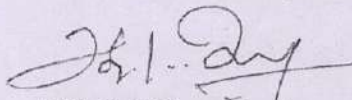

To make the student to understand about tracking, identifying Components, Trouble Shooting and also assembles and disassemble the Mobile Phone.

Topics Covered:

- Basics of Electronic Components, Current and voltage power.
- AC current and DC Current, IC Identification in mobile phone.
- Testing of Battery and Components by using various Testing method.
- Circuit Diagram for i) Speaker and Ringer Solution ii) Insert SIM (or) No Signal Solution (iii) Charging Solution
- Checking of Speaker, Mike and Ringer in Mobile phone, Dead Mobile Solution, Software Problems in Mobile phone

Outcomes:

- Identification of Active and Passive Component in the PCB Board inside the mobile phone
- Students have learned about how to diagnose the mobile Phone.
- Students have learned about how to replace the components according to the problem occur in the mobile phone.
- The Students have gained basic knowledge to become the Entrepreneur in mobile session

Report of Guest Lecture on
**ENTREPRENEURSHIP IN PCB DESIGNING: PCB DESIGNING AND MAKING
CIRCUITS**

Organized by Entrepreneurship Development Cell collaborating with IETE

Date: 03.10.2019 & 04.10.2019

Resource person: Mr. E. Arunvijayan and Team, Pantech Proed Pvt. Ltd., Trichy, distribute the Certificates along with EEE HOD

Objective of the Program:

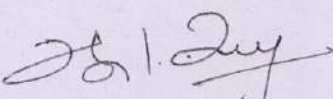

- To gain basic concept of PCB design.
- To provide design knowledge with Proteus software.
- Expose the students to practical process of PC board preparation.

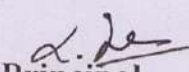

Topics Covered:

- Introduction to Proteus software.
- Basic Schematic Circuit Drawing using software.
- Design of Oscillator and Multivibrator circuits in PCB.

Outcomes:

- Students can able to understand PCB vital role in engineering field.
- Students can able to do the design the circuits with Proteus software.
- Students can able to prepare the designed PCB with raw material.
- Students have gained basic knowledge to become the Entrepreneur in PCB design.
- Students emphasized the importance of developing the technical skills of the student.

Report of Guest Lecture on INTRODUCTION TO INDUSTRIAL AUTOMATION

Date: 19.08.2019.

Organizer: Department of EEE in association with EDC.

Resource person: Mr. S. Samuel Dilton, Senior Project Engineer,
IPCS Automation, Trichy delivered his valuable speech.

Objective of the Program:

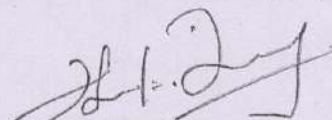

- To enhance the knowledge of students in Industrial Automation
- To understand role of SCADA in industrial automation
- To develop the knowledge in modules of PLC designing

Topics Covered:

- Introduction to Industrial Automation
- Industrial Automation using SCADA
- Industrial Automation using PLC

Outcomes:

- Ability to understand the importance of Industrial automation
- Ability to explain the configuration of SCADA.
- Ability to understand need of PLC in automation.
- Students have learned about how to solve the problem occur in the PLC designing.
- The Students have gained basic knowledge to become the Entrepreneur in PLC designing

Report

Guest lecture on "Industrial Expectations from Engineers"

Organized by
Department of Mechanical Engineering
in association with Entrepreneurship Development Cell
on 19.08.2019 at 11.00 A.M in C-Block seminar hall

Resource Person: Mr. S.Senthilkumar, Assistant Professor, Mechanical Engineering Department, Alagappa Chettiar Government College of Engineering and Technology (ACGCET).

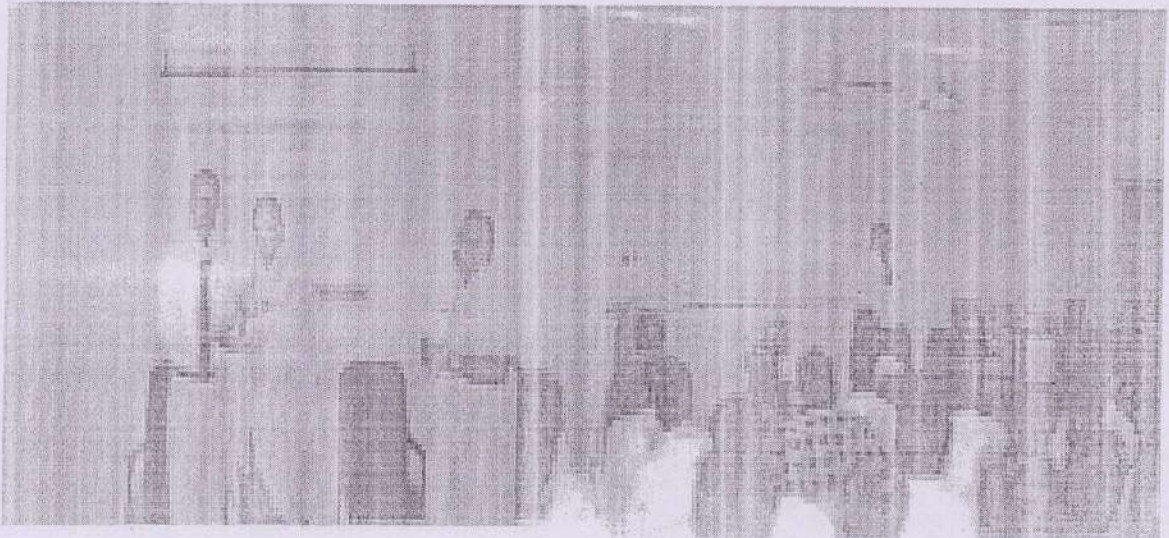

The program commenced at 11.00 AM with a welcome address and introduction of resource person by The Head, Dr.D.Saravanan, Department of Mechanical has given the welcome address. Dr.T.Karthikeyan, Director, Planning & Development, M.I.E.T Engineering College felicitated the function, Prof. Belin A Jude AP/CIVIL Coordinator(EAC), Coordinator ED Cell was also present. The Director and HOD honored the guest with a shawl and our student M.Naveen Kumar of 2nd year Mechanical gave a brief introduction about the guest.

Mr. S.Senthilkumar, Assistant Professor, Mechanical Engineering Department, ACGCET, visited our institution to acknowledge all the students about Entrepreneurship for start-ups: In his special address, he pointed out the importance of Engineering courses and its huge employability opportunities around the world. While talking about the industry expectations, he focused on *creativity skills, time keeping, and basics of technical knowledge, Professional attitude* and so on. He also said about the importance of club activities, particularly about SAE (Society of Automotive Engineers) activities. He also has shown a full video on '*Tractor design and fabrication*', which made the students motivated and to think in other perspectives outside the curriculum. Towards the end of the program there was an interaction with the students which went on very lively and the students were able to update their knowledge regarding industry expectations. Our Second year student, M.Sivaganesh, Department of Mechanical Engineering, M.I.E.T Engineering

- PRINCIPAL

M.I.E.T. ENGINEERING COLLEGE

Report of Guest Lecture on
How to write research paper and Dissertation Report
Organized by R&D cell
on 17/08/2019 at 02.00 P.M in C - Block seminar hall

Resource Person: *Dr.M.Bhaskar, Professor, Electronics & Communication Engineering, National Institute of Technology, Trichy.*

Report: A seminar on "How to write research paper and Dissertation" was organized in the B-Block seminar Hall on 17.08.2019 by the **Research and Development (R & D) Cell**. The program had started with prayer song which our tradition is thereby invoking the presence of the almighty and to get his showers of blessing for all our future endeavors. Guest of Honor, Dr.M.Bhaskar, Professor, Electronics & Communication Engineering, National Institute of Technology, Trichy has delivered a special talk to the Faculty members. The workshop was based on Faculties should able to write research paper and published. He explained how and why, research lifecycle, research process etc. He gave a brief explanation of literature review and problem statement identification. And which encourages competition in the market and also the need of more efficient technologies. He also described about of various research paper formats, how to write research paper, Dissertation. For this activity Faculty members of various Department were attended. He explained more about paper writing by giving some examples through videos that were - sample papers, proposals etc. The Faculty members had a good learning experience and understand how to do research and why and also To inculcate Research.

Report

Seminar on "Knowledge Enrichment Program on Digital Marketing"

Organized by

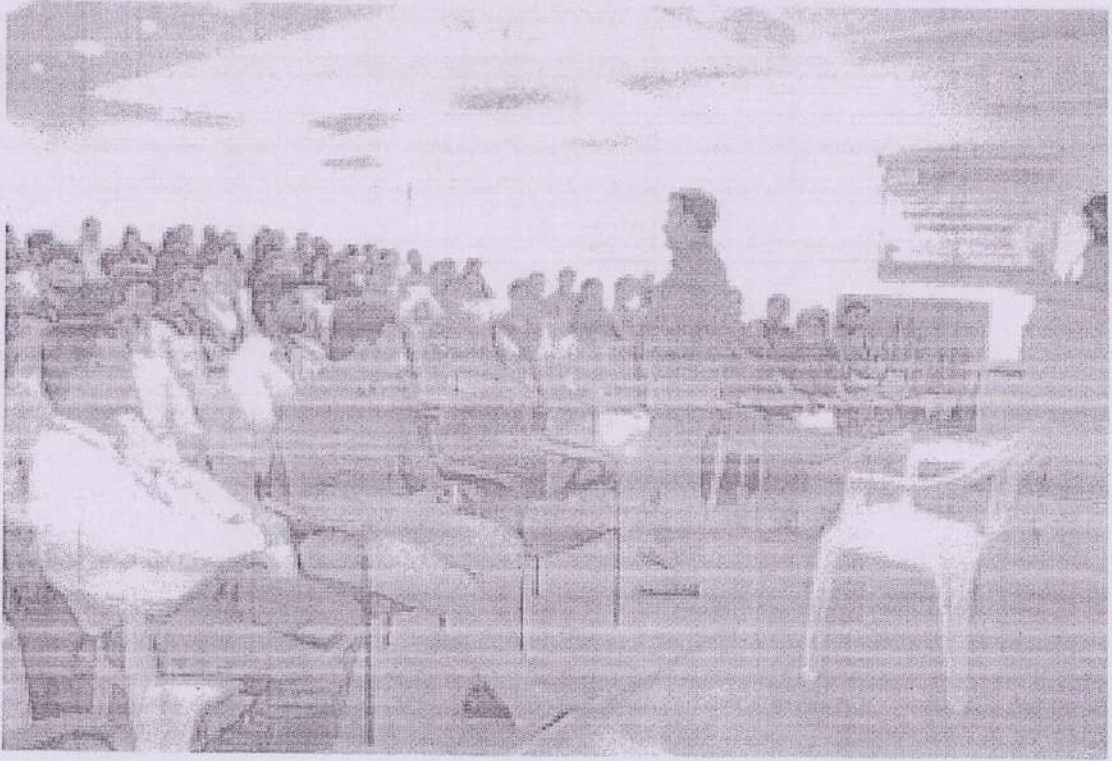

Department of Computer Science and Engineering
on 29-07-2019 at 2.00 p.m. in the T&P Seminar hall

Resource Person: Mr. Ananthram, Head Synergy School of Business School, Bangalore
The Department of Computer Science and Engineering, MIET Engineering College has conducted a Seminar on "Knowledge Enrichment Program on Digital Marketing" on 29-07-2019 at 2.00 p.m. in the T&P Seminar hall. Dr.V.Chandrasekar, Head of the Department, CSE felicitated the gathering. Selvan.M.Hisam Zahid of final year CSE welcomed the gathering and Selvan. G.Hariharan of final year CSE, gave an introduction about the chief guest Mr. Ananthram, Head Synergy School of Business School, Bangalore was the key note speaker for the session. He exemplified about the need and significance of Digital marketing. And also he conferred the importance about how Digital marketing plays the vital role in today's Era.

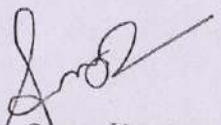

He fashioned awareness among students about the learning Digital marketing. There are many facets of traditional marketing and examples might include tangible items such as business cards, print ads in newspapers or magazines. It can also include posters, commercials on TV and radio, billboards and brochures. In modern, digital marketing play a vital role because most of the people uses social media much more rather than anything else digital marketing uses things like websites, social media mentions, YouTube videos, and banner ads. Specifically, digital marketing is similar to traditional advertising, but using digital devices. The lecture received an overwhelmed response with the participation of both the Third year and Final year CSE Students. At this juncture, coordinator would like to congratulate the students who came forward to learn 'out of syllabus and develop 'out of the box thinking' attitude.

To
The Principal

Dear Sir/Madam,

Sub: Invitation for National Level Workshop (All Departments) –
Regarding.

We are glad to inform you that we are conducting a state level workshop in Ethical Hacking and Cyber Security on 11th & 12th July 2019 in MIET Engineering College, Trichy.

It's our pleasure to invite your college students for our workshop to gain knowledge of cyber threats and attack latest vectors. Our method of session handlings is unique. The workshop will be demonstrated on Real Time Environments and not any other PDFs or pre-recorded Videos are shown in the workshop. The workshop is conducted by cyber security professionals from Ozone Cyber Security team.

The workshop topics such as

Day 1

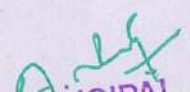

- ✓ Introduction to Hacking
- ✓ Information Gathering
- ✓ System Hacking
- ✓ Sniffing
- ✓ DOS & DDOS
- ✓ Virus & Worms
- ✓ Mobile Hacking
- ✓ Webserver Hacking

Day 2

- ✓ Advanced Ethical Hacking
- ✓ World of CTF
- ✓ Android Rooting
- ✓ Kali Nethunter
- ✓ SQL Injection
- ✓ WiFi Hacking
- ✓ Session Hijacking
- ✓ Steganography

We are expecting your students to attend the Workshop which may
Good for our Future relationship and endeavors.

With special regards and best wishes...

Sub: Submission of a State Level Workshop (Fund Generation Program) on Ethical Hacking for approval -Reg.,

- The Department of Computer Science feels pleasure to submit the proposal for State Level advanced Ethical hacking workshop for outside Polytechnic and Engineering College students and faculties on 11th and 12th July 2019.
- The objective of the proposal is to promote our institution to the next higher level, this program ultimately helps for lateral entry admission and also there will be a monetary benefit to our institution.
- This workshop is going to organize in association with Ozone Cyber Security (already signed a MoU). The Participants are invited with promotional activity on both sides.
- This workshop will be conducted for two days of new participants of other colleges, and students who already attended our workshop are advised to take only second day workshop.

PROPOSAL FOR ONE DAY WORKSHOP

One Day Workshop for already attended students	
Estimated Cost per student:	Rs.900
Estimated student strength:	100-150
Deliverables:	Morning Refreshment
	Lunch
	Evening Refreshment
	Certificates, CD
	Wifi Jammer
Two Day Workshop for fresh students	
Estimated Cost per student:	Rs.1500
Estimated student strength:	150-200
Deliverables:	One or Two Night Accommodation needed
	Lunch(2 Days)

Workshop- Report

Name of the Event/ Programme/Course with Date	Ethical Hacking Workshop (11 th & 12 th July 2020) Three Days -Fund Generation Program	
Event/Function Incharge or Co-Ordinator	Mr.A.JOSHUA ISSAC,-AP/CSE	
Objective of the Function	Awareness against Hacking and Cyber Crime	
Name of the Resource Person from Reputed institutions or Chief Guest with Address		
Name of the Resource Person (If not from the reputed Institutions - Reason for the choosing the Expert - Enclose the Profile)	Mr. S.Vivek CEO (Ozone Cyber Security)	CEO, Ozone Cyber Security,Kerala

GUEST HONORARIUM DETAILS

	Amount in Rs
A. Remuneration	
B. Traveling Allowance (Tick the appropriate) <input type="checkbox"/> TO & FRO Train Fare /Air Fare <input type="checkbox"/> Car Fare <input type="checkbox"/> Actuals	
C. Incidental Charges (175+150)	
D. Expenses - Tea, Snacks and Lunch for Resource Person	
Total (A+B+C+D)	

Overall Out Come of this Programme:

Students can able to do how to provide security for laptop, desktop and mobile devices and also they know how to protect themselves from the cyber attacks.

Overall Students Feed Back:

- The expert impressed the students by presenting live demo in smart TV hacking, system hacking and device hacking.

Q1. The lecture content met your expectation Q2. The program exposed you to new knowledge and practices Q3. The lecture was clear and easy to understand Q4. The resource person encouraged interaction and was helpful Q5. How much interesting this session was for you? Q6. What is your opinion about the resource person? Q7. How relevant was the content discussed by the speaker? Q8. How was your preparation about the topic before the guest lecture? Q9. Overall effectiveness of the lecture Q10. The program is also helpful to gain knowledge beyond the curriculum and syllabus.

Staff in-charge Feed Back:

- All the students are keen enough listening entire session and put their involvement in hands on sessions. In particular students understand the online security related information about personal and confidential data.
