Technical Guest Lecture Report

We have organized a Technical guest lecture as per academic schedule in our Engineering College Auditorium on 19.01.2017 at 11:00 A.M TO 1:00 P.M.

Mr.R.Ravikumar, General Manager, Roots Multiclean Ltd, Coimbatore has delivered the technical guest lecture on "Face the Future" for our III year Mechanical Engineering Students.

This lecture gave an idea of current scenario of industries. Technical guest lecture topics covered the various aspects and concepts of managerial and technical skills needed for an industry which are related to their academic subject Professional Ethics.

The Students actively participated in the interactive session that followed with interesting question and answer session. This lecture enhanced the student's knowledge in industrial current needs in managerial and technical skills which is related to their academic subject Professional Ethics. The feedback from the students about the program has been found excellent.

Report of Seminar on " Intellectual property Rights" Organized by R & D Cell

Report: M.I.E.T - R & D Cell organized a seminar on "Intellectual property Rights" on 14th November 2016 in the "A" Block - Seminar hall. Dr. Renold Elsen, Department of Mechanical Engineering of M.I.E.T an Industry Expert in the area of "Intellectual property Rights" was the resource person for the event. Has enlightened the participants in the area of "Intellectual property Rights". Apart from the guidelines related to the program he has emphasized on the importance of IPR and its benefits to the companies and society at large.. The Guest Lecture sessions were very interesting, and we got a very good feedback from the participants and with a request to conduct advanced level of workshops/expert lectures like this in future also.

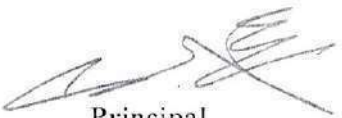

Learning objectives:

1. To Create awareness in the area of " Intellectual property Rights ".
2. To emphasize on recent trends in " Intellectual property Rights ".
3. To focus on the importance of " Intellectual property Rights ".
4. To explain the various types of " Intellectual property Rights ".

Learning Outcomes:

1. The participants have received valuable awareness in the area of " Intellectual property Rights ".
2. The participants have realized the recent trends in " Intellectual property Rights ".
3. The participants have come to know the importance and benefits " Intellectual property Rights ".
4. The participants have secured valuable information in the area of " Intellectual property Rights ".

About the Institution

The M.I.E.T. Society, founded by Er.A.Mohamed Yunus and Alhaj S.M.Hassan Mohamed in the year 1984, offers high quality education in an underdeveloped rural and semi-urban region of Tamil Nadu. This society runs the M.I.E.T. Polytechnic College established in the year 1984, the M.I.E.T. Arts and Science College established in 1993 and M.I.E.T. Engineering College in the year 1998 in one campus. The society's members included industrialists, educators and philanthropists. Ever since its inception the institutions have grown phenomenally and its colleges have made an indelible impression on the lives of students as they passed through. Students from the Tiruchirappalli region various parts of Tamil Nadu and even from states throughout India, come together to learn in our institutions and build their personality. Our colleges based on their excellent educational credentials have even started attracting students from countries outside India.

Our academic successes over the years have been established due to ceaseless efforts of the society aided by the faculties of the colleges. The M.I.E.T. Institutions have since its founding concentrated on designing and employing superior standards of teaching to foster effective student learning. We continually implement co-curricular and extracurricular activities to promote the development of life skills in students. Importantly, the college has focused on linking industry, community, and technical Institutions with its students to give them an edge when facing challenging technologies and competition in their academic pursuits.

Information to Participants

PRINCIPAL
REGISTRATION
CONFIRMED

Eligibility : Final year students of UG can apply
Important Date : Last Date for Registration: 30.09.2016
Registration : The registration form should be filled and sent by E-Mail

(E-Mail ID : mba.hod@miet.edu, mohamedjasim.k@miet.edu)

Entrepreneurship Orientation Program on 4th October 2016

Resource Person: Mr. Ramaswamy Desai.C Director, CR Business Solutions &
Dr. B. Balamurugan Professor, Department of Economics,
H.H Rajahs Government Arts College, Pudhukottai.

Department of MBA in association with Entrepreneurship Development Cell is organized Entrepreneurship Orientation Program on 4th October 2016. The camp is sponsored by NSIC Technical Services Centre, The National Small Industries Corporation Limited, (A Government of India Enterprise). The first speaker was Mr. Ramaswamy Desai.C Director, CR Business Solutions. He spoke on How to convert an Idea into an Enterprise. Using simple household materials as an example, Mr. Vaz encouraged the students to brain storm in groups to discuss innovative uses of the products. He taught them how a simple idea could convert into potentially bigger business. The second session was conducted by Mr. K. Mohamed Jasim AP, Department of MBA M.I.E.T Engineering College who spoke on the Charm of Becoming an Entrepreneur, Creativity and Problem Solving. He showed them practical real world businesses like Amazon, Nirma, Flipkart that started small by identifying problems in society but grew into giant businesses.

The Third session was conducted by Prof. P. Aranganathan AP, Department of MBA M.I.E.T Engineering College, discussed the importance of Entrepreneurial Opportunities and how it can help safeguard ideas. He also encouraged and motivated the students to choose their final year project wisely. Dr. B. Balamurugan Professor, Department of Economics, H.H Rajahs Government Arts College, Pudhukottai explained the government schemes available for startups and small businesses. He explained the Chief Minister Rojgar Yojana and the Prime Minister Revenue Generation Scheme. And share his experience of starting several businesses and he explained different ways of generating funds like angel funding, bootstrapping, etc.

The EAC saw active participation from final year students who were also made aware of the various rules, regulations, documentation required to start their own business. The students had a good learning experience and were motivated to take the first step towards being their own boss.

DEPARTMENT OF MANAGEMENT STUDIES (MBA)
in association with ED cell
Organized the Entrepreneurship Orientation Program
on 1st & 2nd August 2016 at 10.00 am in the College Seminar Hall

Resource Person: Prof.G . Balakrishnan Former Vice Principal St.Joseph' s College , Trichy &
Prof. K.Balasubramanian, CEO, Creative Management consultancy, Trichy.

Department of MBA in association with Entrepreneurship Development Cell is organized Orientation Programme for freshers on 1st August, 2016. The speaker was Prof.G . Balakrishnan Former Vice Principal St.Joseph' s College , Trichy, delivered a session on Risks and Challenges faced by entrepreneurs. He explained on the ten different aspects that would be considered as risks and challenges for an entrepreneur. He also elaborated the ways to manage those risks and challenges. He emphasized the importance of entrepreneurial attitude. The students were exposed to points on developing the passion towards entrepreneurship and also gained insights on the skills they need to develop to become an effective entrepreneur.

The second day began with a talk by Prof. K.Balasubramanian, CEO, Creative Management consultancy, Trichy presented his success stories to the participants. He started his discussion about, "What is Entrepreneurship?", the qualities that an Entrepreneur should have and extended his discussions on various constitutions of business and also about various compliances. He also explained the importance of SWOT analysis for being an Entrepreneur. The discussion also covered broadly many successful Entrepreneurs with case studies, current opportunities and trends, Reasons for business failures and the Success formula to overcome, the Forums for developing Entrepreneurship skills including networking, which created a mindset to become an Entrepreneur among the participants. This EAC intended to orient Participants of Final year students towards starting their own enterprise, with focus on the decisions that an entrepreneur takes and sources of finance. The students had a good learning experience and were motivated to take the first step towards being their own boss.
