We are glad to inform you that *Ms. PAVITHRA.J* studying final year B.EEE in M.I.E.T ENGINEERING COLLEGE, GUNDUR. Has successfully completed her internship dated from (23 DEC, 2019 TO 04 JAN, 2020).

During her internship, she was exposed to the various activities in production activities and services division.

We found she was extremely inquisitive and hard working. she was very much interested to learn the functions of our core division and also willing to put her best efforts and get into the depth of the subject to understand it better.

Herself association with us was very fruitful.

We wish her all the best in her future endeavors.

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that **Ms. NISHA.U** studying final year B.EEE in M.I.E.T ENGINEERING COLLEGE, GUNDUR. Has successfully completed her internship dated from (23 DEC, 2019 TO 04 JAN, 2020).

During her internship, she was exposed to the various activities in production activities and services division.

We found she was extremely inquisitive and hard working. she was very much interested to learn the functions of our core division and also willing to put her best efforts and get into the depth of the subject to understand it better.

Herself association with us was very fruitful.

We wish her all the best in her future endeavors.

We are glad to inform you that Francis Santhanam, A from M.I.E.T. Engineering College
Tiruchirappali Dt. has successfully completed his internship at Sciencetech from 5/1/18 to
9/1/18.

During his internship, he was exposed to the various activities in Automation Products Services
Division.

We found him extremely inquisitive and hard working. He was very much interested to learn the
functions of our core division and also willing to put his best efforts and get in to the depth of the
subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavors.
