## Product Terms

Single Title Journal Subscriptions and Legacy Sets  
(Springer, Adis, Palgrave Macmillan, Academic Journals on nature.com)

1. Term and Access Rights
  - 1.1 The Term shall begin on 1st January 2019 (the "Commencement Date") and shall end on 31st December 2019.
  - 1.2 Continuing Access Journals: During the Term, Licensee shall have access to the Continuing Access Journals listed in Section 3.1 first published during the Term. After the Term, Licensee shall have Continuing Access to the Continuing Access Journals first published during the Term, subject to all the terms and conditions of this License Agreement.
  - 1.3 Access Only Journals: During the Term only, Licensee will be granted access to the Access Only Journals listed in Section 3.2 first published during the Term.
  - 1.4 Backfile Access During the Term: In addition, during the Term only, Licensee will be granted access to the Content of titles listed in Sections 3.1 and 3.2 published beginning 1997 (or, if later, first date of publication).
2. Transfer / Take-Over
  - 2.1 Intentionally deleted
  - 2.2 If Licensor's publishing rights to a Continuing Access Journal are transferred to another publisher, Licensor will use commercially reasonable efforts to provide Licensee with access to the Content of the Continuing Access Journal licensed under these Product Terms either (a) online on the Platform, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Continuing Access Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions.
  - 2.3 If Licensee subscribes to one or more journals from a third-party publisher which are acquired by Licensor during the Term (the "Take-Over Journals"), the Take-Over Journals may be added, in Licensor's sole discretion, to this License Agreement after expiration of Licensee's subscription with the third-party publisher, to the extent Licensor's acquired rights in the Take-Over Journals permit. The current year list price of the Take-Over Journals will be added to the License Fee.

The INFLIBNET Centre receives numerous queries from Colleges regarding membership to Shodhganga and e-ShodhSindhu. Following clarifications are being provided in this regard:

**Shodhganga:** Shodhganga is an Open Access Repository of full-text theses submitted to universities in India. Membership is not required to browse, view, search and download theses available in Shodhganga. However, INFLIBNET signs MoUs with universities so as to facilitate submission of electronic version of theses into Shodhganga and synopses/approved research proposals into Shodhgangotri. The eligible universities that signs MoUs with INFLIBNET Centre on Shodhganga are provided access to anti-plagiarism software. Colleges are not eligible for this benefit. (Details are available at <http://shodhganga.inflibnet.ac.in>)

**e-ShodhSindhu:** Colleges that are covered under 12(B) & 2(f) Sections of the UGC Act and are under direct purview of UGC are entitled to get access to e-resources under NLIST programme except for Colleges imparting education in Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing. NLIST is college component of e-ShodhSindhu. NLIST subscribes to a sub-set of e-resources that are subscribed under e-ShodhSindhu. As such, Colleges that are already getting access to e-resources under NLIST do not require membership of e-ShodhSindhu. (More details are available at <http://nlist.inflibnet.ac.in/members.php>)

Title: Studies on six sigma implementation model to improve customer satisfaction in sand casting foundries

Researcher: Kumaravel A

Guide(s): Natarajan U

Keywords: DMAIC  
Mechanical Engineering  
Sand casting foundries  
Six sigma  
Taguchi optimization technique

Upload Date: 10-Mar-2014

University: Anna University

Completed Date: 01/03/2012

Abstract: Six Sigma has been widely adopted in a variety of industries as a new/lineproven management innovation methodology to produce high-quality new/lineproducts with the lowest possible cost. This research defines a step-by-step new/lineguide, using the DMAIC (Define, Measure, Analyze, Improve, and Control) new/linemethodology. Also the effectiveness of the DMAIC has been evaluated with a new/lineprocess study carried out in a south Indian foundry. This methodology is used to new/lineidentify hidden waste and costs, identify and eliminate defects, increase profit new/linemargins, increase the employee's level of commitment and satisfaction, online new/linedelivery and in turn to improve customer satisfaction. In this research, new/lineits prime focus is on improving customer satisfaction in the sand casting new/linefoundries. new/lineThe empirical study on employee job satisfaction upon new/lineimplementing Six Sigma is also studied. The results show that participants in new/lineSix Sigma have experienced positive changes in most job satisfaction new/lineparameters. Implications of the evaluation investigated with direction for new/linefurther action of the company. Taguchi optimization technique for selected new/lineprocess parameters of green sand casting is applied to obtain optimal level of new/lineits process parameters in order to generate the optimum quality new/linecharacteristics of the cast iron flywheel castings. The process parameters considered are moisture content, permeability, loss on ignition, new/linecompressive strength, volatile content, vent holes, pouring time, pouring new/linetemperature, and mould pressure. An orthogonal array, the signal-to-noise new/line(S/N) ratio, and analysis of variance are used to analyze the effect of selected new/lineprocess parameters and their levels on the casting defects. The result shows new/linehat the selected process parameters significantly affected the casting defects new/lineand a confirmation run is used to verify the results. new/line

## NDL Membership Login Snap Shot

The screenshot shows the National Digital Library of India (NDL) website. The browser address bar displays 'ndl.iitkgp.ac.in'. The website header includes navigation options like 'Browse', 'Search', 'Language', and 'MIET Engineering College Trichy'. The main banner features the NDL logo and the slogan 'One Library All of India'. A search bar indicates 'Search over 61,882,391 resources'. Below the banner, there are three main sections: 'STUDY AT HOME' with categories like School, CBSE Examination Preparatory, Engineering, Science, Humanities, Literature, and Law & Management; 'COVID-19 RESEARCH REPOSITORY' with categories like Scholarly Publications, Data Sets, Documents & Videos, Journals & Conferences, Ideas & Funding, and Challenges & Startup; and 'FEATURED COLLECTIONS' with items like 'Birth Centenary of Satvait Ray' and 'Topic of the Week: Earthquakes'. The Windows taskbar at the bottom shows the time as 12:30 PM on 04-Feb-21.
