GUNDUR, TIRUCHIRAPPALLI-620 007.

She began her speech by asking the students to know the value of every minute that god has bestowed upon them. The growing change in the society and the generation gap which is seen largely these days pave a way for various stress among the students. She said the seeds of all the good things are sown throughout which has to grow with firm foundation to be fruitful. She highlighted the various hindrances in the past which has to be faced with sacrifices to reach the goal. She stressed on the practice that has to be followed to attain permanent perfection and not to waste time. She also wanted the students to fortify and equip themselves after removing the weeds, dirt and dust accumulated in the thoughts to be cleansed. The value of parents, teachers and technology must be known through the fire of intensity, passion and responsibility. Finally she wanted all to see the blessing of god to face and cross the hurdles in life.

REPORT OF THE GENERAL INTRODUCTION ABOUT GATE EXAM

The Department of Training and Placement has arranged General Introduction about Gate Exam on 25.09.17 at 10.30 am in C Block Seminar Hall. **Mrs.C.ARTHY, Teaching Faculty, Time Institute, Trichy** was the speaker of the programme who explained about the Gate exam.

She explained the purpose of the **GATE exam** is to test students knowledge and understanding of their under Graduate level subjects in Engineering and Science. The GATE score of the candidate is also used by several public sector undertakings (PSU). Many public sector undertakings such as BHEL, Indian Oil Corporation, NTPC, Bhabha Atomic Research Centre are using the GATE score for selecting candidates for their organizations.

Students keenly observed the session. At the end of the session they discussed with the speaker while they clarified their doubts. They have much satisfied and thank speaker. That seen was the evidence of the success and impact of the programme. The programme started with Qirath and Tamil thai valthu. **Mr.Prabhakaran** welcomed the Chairman, the principal the dignitaries, staff and students. Er.A. Mohamed Yunus, the Chairman of MIET, felicitated the gathering. Dr. X.Susan Chrisitna Principal of MIET Engineering College delivered the special address. Mr. G.Muruganandham made the vote of thanks.

REPORT OF THE TECHNICAL TRAINING PROGRAM

The Department of Training and Placement has arranged Technical Training Program on 20.12.2017 to 29.12.2017 at 9.30 am to 5.00 pm in Computer Laboratory.

The technical training program has been conducted to 150 students from various departments on the programming languages such as C, C++, Java and Python. During the training program, 10 trainers from GTT global services trained the students on good practices in programming language. The training consisted of providing direct practical experience and concrete training on C and C++ languages.

C programming concepts and Object Oriented Programming concepts in C++ are implemented by using Turbo C++ with student intervention. Hands on training have been provided on java language and python language. An exercise intended to train students with core java by using eclipse and notepad++. Systematic training on python language has been provided to the students using Thonny, Python IDE. The students have gained the sound knowledge and technical skills from this program which would help for their employability.

The programme started with Qirath and Tamil thaivalthu. **Mr. Prabhakaran** HOD T&P welcomed gathering and started the session. **Mr. R. Prabhu** made the vote of thanks.

REPORT OF THE TECHNICAL TRAINING PROGRAM

The Department of Training and Placement has arranged Technical Training Program on 20.12.2017 to 29.12.2017 at 9.30 am to 5.00 pm in Computer Laboratory.

The technical training program has been conducted to 195 students from various departments on the programming languages such as C, C++, Java and Python. During the training program, 10 trainers from GTT global services trained the students on good practices in programming language. The training consisted of providing direct practical experience and concrete training on C and C++ languages.

The outcome of the training were, the students were able to design code for various concepts using the programming languages such as C, C++. They have understood the concepts of core java and developed applications. The students were encouraged to develop applications using console I/O & how to handle exceptions during runtime. They are able to adapt and combine the standard techniques to solve a task in python IDE. The students have gained the sound knowledge and technical skills from this program which would help for their employability.

The programme started with Qirath and Tamil thaivalthu. Mr. Prabhakaran HOD T&P welcomed gathering and started the session. Mr. R. Prabhu made the vote of thanks.
