Subject: Greetings from JSE Engineering Pvt. Ltd.! - Reg - On Campus placements

To: &lt;joshvaissac.a@miet.edu&gt;

Ref No : JSE-CI-2020-119

Date : 29th January 2020

Dear Mr. Joshva Issac,

Subject: Proposal letter for Campus Interviews

We, JSE Engineering Pvt. Ltd., are sending this proposal to your college for the purpose of campus recruitment to hire graduates in our firm.

The budding professionals – B.E Graduates in MECH, EEE, ECE & CIVIL Engineering will be given a great opportunity to work at JSE.

The role would be **Junior Design Engineer** and the location would be **Chennai**. Currently, we have huge openings for the Junior Design Engineer role and the placement coordinator can select the Students on the basis of overall marks obtained in all semesters, which should be 70% & above on the day we visit.

NOTE: On Campus Placements

**A Brief about the company:**

**JSE Engineering** is a leading firm of consulting engineers in Structural Engineering and Building Services specializing in Air conditioning, Fire protection engineering, Public health (Plumbing) and Electrical services. **JSE** has been established in 2005 by leading consultant and professional engineers who had professional practical experience and followed international standards and codes for more than 20 years. **JSE** has completed more than 1000 overseas projects with the support of our overseas office M/S. **GREEK** Dubai.

Currently more than 350 **JSE Engineering** employees are working in overseas project's site offices at Dubai, Qatar, Muscat and Saudi Arabia to prepare detailed and engineering drawings in building services.

Building Design Sector is rapidly growing compared to Automobile sector. So the job openings for Mechanical, Electrical and Civil Engineers are in large numbers worldwide. As transactions increase industry wide, more Mechanical, Electrical, Plumbing and Fire Protection Engineering & Civil Engineering firms jump in.

Over the past several years, **JSE Engineering** has had the privilege of hiring many of the fresh graduates. Currently we have openings that may be of interest to graduating students.

**A Brief about the role:**

The role of Junior Design Engineer would require the following:

- Final year Students in Mechanical, Electrical & Civil Engineering
- Good technical knowledge
- Good Arithmetic skills
- Leadership skills
- Strong communication and smartness

**A Brief about training:**

- Selected candidate shall undergo 10 weeks intensive training session to get professional knowledge in building services design prior to joining JSE Engineering Pvt Ltd.
- Training session shall be conducted by the JSE Engineering Academy.
- Training cost shall be borne by the candidate. The candidates selected in campus interview shall pay 70% of the total cost. (Refer Annexure – 1)
- Once the training session is completed, the candidates will get trained in live projects also.
- Trained candidates will be placed in JSE Engineering Pvt Ltd.
- All selected candidates shall work at least 4 years from the date of joining in JSE Engineering Pvt Ltd in order to transform to professional engineers.
- Employees will be given onsite (abroad) opportunities after working in Chennai office. This will happen after the employees gain live project experience in JSE Engineering Pvt Ltd.

Great Career starts here at JSE.

Kindly let us know the next step and we would be glad to take it forward.

Looking forward to hiring great talents from your college.

Dear Sir,

Greetings from VDart!

We thank you for the continued patronage and cooperation to hire candidates for our client's requirements from your prestigious group of institution. We are currently hiring for our client in Health Care industry and below are the requirement details and would be happy to connect with the team for hiring your candidates.

**Hiring from Batches: 2020 | 2019 | 2018.**

- Candidates shortlisted in the campus drive will have to attend their final interview with our client and on clearing the final evaluation process will be deployed with the client.
- Shortlisted candidates from **2020** batch on completion of their final exams will be processed for final evaluation with the client. Passed out (2018 ,2019) candidates meeting the eligibility criteria will be aligned for final interview with the client immediately.

**Industry we are hiring:** Health care Industry.**Eligibility Criteria:** Good communication skills with basic Computer knowledge.**Eligible candidates :** Any degree - UG | PG – **Engineering & Arts and Science**. Candidates with arrears will be considered.**Designation which we are hiring for our client: AR Associates- Account Receivable Associate.**

A role of an Accounts Receivable (AR) Associate will be processing claims.(Medical billing claims), Insurance verification, Analysing the rejected and denied claims and reprocess the same for payment. Adhere to time frame and quality standards. It's a client interior role and the job involves working along with the revenue cycle management team and building relationship with healthcare and insurance companies ,doctors and other customers.

**Salary Package:** CTC INR 16500 per month and Net pay INR 12500.**Shifts Involved:** Job involves working in night shift.**Work location:** Trichy.  
**PRINCIPAL**  
**M.I.E.T. ENGINEERING COLLEGE**  
**GUNDUR, TIRUCHIRAPPALLI-620 007.**

**Service Agreement:** Selected candidates by the client have to submit their 10<sup>th</sup> and 12<sup>th</sup> original marksheet for a period of one year on completion of one year of service their documents will be released immediately. In case of emergency the candidate wanted to be relieved from service within a year period the candidate has to pay the training charges INR 15000 and obtain the documents.

**Hiring process at the Campus:** Initial level will be group interaction and an HR interview. We do not charge any fee or security deposit from the candidate's or from the institution for any of our process.

Kindly revert back to us on any query on the above.

Thanks,
