Government Aided Colleges/Doors of Constituent Colleges under
Anna University
(Sports Zone-I to XIX)

For:
Sub: Anna University Sports Board - Anna University, Chennai - 25 - Circulars re
guidelines - Interzone - Reg
Ref: Our previous letter dated 21-07-2014

I am to inform that, based on the decisions taken in the seventh committee
Convened meeting (20-4-2014) of the Anna University Sports Board the following
changes in the guidelines regarding zonal and interzonal tournaments have been
modified and has been implemented from July 2014 onwards

- The zonal coordination center for respective zone/year will be decided by the
Anna University, after receiving suggestions directly from the colleges in each
zone
- The zonal winning teams alone will participate in the inter zonal tournaments
of AUSB and the meritorious players in each zone will participate in
selection trials directly during interzonal tournaments. The methodology of
selecting the number of meritorious players in each zone will be decided
during the zonal sports meeting and the decision taken should be adhered
by the AUSB. (There will not be any combined team entered from June 2014
onwards)
- The members of selection committee for the interzonal tournaments will be
chosen from the zonal selection committee members (zones 1-19) for each
sports and games.
- The allotment of venues for inter Zonal tournaments of AUSB every year will
be based on the previous sports performances, sports infrastructure facilities
available in the colleges and based on the suggestions and requests received
from the colleges and will be finalized by the Anna University.
- The above changes may be informed to the Physical Director, regarding the
zonal sports meeting in your charges.

Yours faithfully,
