Dear Sir/Madam,

Reference your letter regarding ISF membership of 76 students Forum with DD/NEFT of Rs. 20108/- from your college.

Please find enclosed herewith 76 ISF membership certificates of IETE students' forum enrolled from your college. Kindly distribute these membership certificates to the concerned students. You are requested to kindly acknowledge the same.

The copies of IETE publications, viz. IETE Journal of Education, IETE Journal of Research, IETE Newsletter, and IETE Technical Review will be sent to you, hereafter.

Thanking you,

With Regards,

(Jyoti Sharma)

**INAUGURATION
OF
IETE STUDENT FORUM [ISF]**

March 27th 2019 at 10:30 A.M

Department of ECE &EEE

PRINCIPAL
M.I.E.T. ENGINEERING COLLEGE
GUNDUR, TIRUCHIRAPPALLI-620 007.

Chairman's Message...

I am happy to know that the ECE & EEE department has jointly started the IETE Student Forum for the benefits of the students. I hope that the membership obtained will be greatly helpful for the students in developing Technical and Managerial skills. The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT, founded in 1953.

This Forum will be a platform to build and shape student's career to make them ready for the industry. This IETE student association created is structured to provide them a collaborative learning environment among students all around the world.

This forum will bring great opportunities and benefits to all the participants who will take part in forthcoming events. My best wishes to the organizing team for the great success for this forum.

Wish you all the very best.

Er. A. Mohamed Yunus

Principal's Message...

I render my heartfelt appreciation for inauguration of IETE Student forum (ISF) by ECE and EEE Department, manifesting a remarkable event in the history of M.I.E.T, racing towards achieving excellence in current trending technologies. The purpose of ISF is to give a platform for the student members to exchange ideas by organizing/participating technical programs and activities. They would get the benefit for technical visits/practical training / project work in R&D laboratories/ industries that increases their spirit of self-reliance and professionalism.

Such colloquium provide a great opportunity not only to update knowledge and keep obsessed with latest developmental scenario in the respective field, but also to exchange ideas and interact with each other.

I am confident that the forum will produce fruitful deliberations which will flourish student's career. I wish all success to the organizing committee of this significant forum.

Dr. X. Susan Christina

PRINCIPAL
M.I.E.T. ENGINEERING COLLEGE

INTRODUCTION TO IETE:

IETE (The Institution of Electronics and Telecommunication ENGINEERS) is INDIA's leading recognized professional society developed to the advancements of science and technology, electronics, telecommunication and information technology founded in 1953 which is serving more than 1,00,000 members through 61 centers and sub centers located in INDIA among which MEPCO SCHLENK Engineering Sivakasi, Tamil Nadu is the Local Centre is one and for which New Delhi is the main Centre. The institution provides leadership in scientific and Technology areas of direct importance to the national development and economy associations of Indian Universities (AIU) has recognized as (AMIETE).

Government of India has recognized IETE as a science and industrial research organization (SIRO). The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology in Electronics, Telecommunication, Computers & IT.

OBJECTIVE OF IETE:

IETE focuses on advancing electronics and electrical technology. It conducts and sponsors technical meeting, conferences, symposia and exhibition all over India which has been published in many technical journals and provides education as well as carrier advancements opportunities to its members.

IETE today is one of the prominent technical education providers in India and is fast expanding its wings across the country through its 61 centers. Over the last 60 years [1953-2019] which has celebrated its Diamond jubilee celebrations IETE has expanded its educational activities in the areas of electronics, telecommunication, and computer science and information technology.

Honoring the Chief Guest

Special Address by the Guest of Honor

Welcome Address

Principal Address

Director Address

Chairman Address

Mr. K.Javid, (HoD/ECE) EC Member of IETE delivered a vivid speech regarding the activity of IETE and the proposed activity during the year ahead. He also briefed the students on the various financial supports that the forum offers. He also thanked Chairperson of the IETE Dr.G.Indumathi of the local centre, Sivakasi running at MEPCO SCHLENK Engineering Sivakasi, Tamil Nadu. He also added Dr.G.Indumathi had been a guiding factor by providing us with clear guidelines to follow by answering all our queries regarding the starting of ISF from the day one. Ms.J.Kiruthika of 3rd year EEE briefed about all the aspects of IETE. Membership Certificates was distributed to the student members by the Chief Guest.

Ms.Sahana Begum of final year EEE delivered the vote of thanks

Future Plan

- To make the student to attend internship program/Implant training in month of May
- To conduct Product development Workshop in the month of July
- To conduct Guest Lecture/Seminar in the month of August and September
- To conduct Technical Symposium in the month of February 2020

CONCLUSION:

Finally the executive committee signed as a token of taking wow of organizing and running the ISF in our college in a professional way and wanted to run this ISF an organization under the guidance of the great people for the excellence of each and every engineering student for the betterment of his or her life. Thank Chairman, Director, Principal, Departmental HODs and the faculty for giving guidance to the ECE & EEE students to organize such a great program.

Department of ECE & EEE at M.I.E.T Engineering College have jointly inaugurated IETE Students' Forum (ISF) with 119 student members on 27th March 2019.

The program had started with prayer song which our tradition is thereby invoking the presence of the almighty and to get his showers of blessing for all our future endeavors. Next the Thaslina Afrin of 3rd year, one of the ISF member, delivered the Welcome address.

In the brief speech of Prof. (Dr.) X.Susan Christina, Principal M.I.E.T, she pointed the periphery and possibility of ISF in building the future of M.I.E.T Students. She also encouraged the students to indulge many such activities to develop their knowledge apart from their curriculum and update them to current world scenario. Being a Corporate Member of IETE Fellow Membership, she focused on the activity and benefits of ISF as to build professionalism in their near future. She also commented on the funding to organize seminars, workshops, projects at M.I.E.T in ISF collaborating with IETE. Prof. (Dr.) T.Karthikeyan, Director (Planning & Development) gave his valuable thought regarding the activities of ISF and appreciated the effort taken by the Department Heads for initiating ISF at the M.I.E.T Campus. He also motivated other students to try and become a part of ISF in forthcoming year.

Chairman of M.I.E.T institution illuminated the positive aspects of ISF and was keen on opening more chapters at M.I.E.T. He encouraged student to be a member of ISF & to submit research papers / articles for the college journal as well as IETE student's journal. Guest of Honor Mr.C.V.Vinod, Principal General Manager BSNL, and Trichy delivered a special talk on the topic "5G" and few easily adoptable tips for students to manage all the psychological related stresses. He also emphasized the importance of Indian Engineering service exam (IES) as he has cleared IES exam in 1985, so he asked the student to take him as an example. Even obtaining the membership in ISF can pave the way for the students take up such competitive exam in future.
