Er. A. Mohamed Yunus
Chairman
M.I.E.T. Institutions

CHAIRMAN MESSAGE:

It had always been my dream to build an institution for quality, innovation and excellence that can yield success. M.I.E.T. institution was established with a primary motive of providing quality education to the budding youth under privileged as well as the minority community which in turn would translate into service to the humanity in general and to the society in particular.

M.I.E.T edify the pupil to dream and realize the professional growth in a congenial environment with versatile faculty and facilities while enlightening them with values and characters to attain social, economical and technological growth at global level. Students must strive and create a platform to get a career not just for survival but also to excel in the field. Today is the era of privatization and globalization and we try to groom, nourish and nurture our students to fully equipped pillars of the Nation. My best wishes and blessing to all for the future endeavors.

PRINCIPAL MESSAGE:

It is a matter of abiding joy in witnessing a gradual success of our college by tapping the latent potential and talent dormant in the students. We know that quality education is a passport to its steep rise in life and creates a platform for practical avenues.

They pursue their creative interests to attain financial gains and get golden opportunities to lead a life of dignity and prosperity. M.I.E.T Engineering College has efficient faculty members who are endeavored towards framing young and dynamic engineers who will crux of the technical workforce. Best wishes.

HEAD OF THE DEPARTMENT MESSAGE:

I am pleased to know that the successful completion of the magazine MECHON for this academic year 2016-17. MECHON, the departmental magazine has the prime objective of providing aspiring engineers a wide platform to showcase their technical knowledge and to pen down innovative ideas. This magazine is intended to bring out the hidden literary talents in the students and teachers to inculcate strong technical skills among them. I congratulate and thank all the students and faculty coordinator who have made untiring efforts to bring out this magazine. I wish them all the very best for releasing more such magazines in future.

VISION OF THE INSTITUTION

To be a center of excellence in Technical Education through Technical, Ethical and Professional skills for meeting the diverse needs of the Society, in particular Muslim minority community and the Nation.

MISSION OF THE INSTITUTION

To impart Quality Education, Training and Research in the fields of Engineering and Technology.

To provide a conducive learning environment that enables the students to achieve professional and personal growth.

To expose the contemporary issues of society, ethical practices and to create environmental awareness.

To provide the required infrastructural facilities for developing the professional and innovative skills.

Department of Mechanical Engineering

About us

The Mechanical Engineering department was started in the year 1998 and the first batch graduated in 2002. The department has dedicated, qualified and experienced faculty members with specialization in various fields of knowledge. Workshops and symposiums are organized every year by the department to update the students with the latest upcoming technological developments.

Department Vision and Mission

Vision

- Establish a globally recognized school of Excellence in the field of mechanical engineering.

Mission

- Impart quality education in Mechanical Engineering through effective teaching – learning techniques.
- Provide necessary infrastructure and facilities for the student's personal and professional growth.
- Expose to specialized mechanical engineering domains to harness evolving technologies.

Create awareness in ethical practices followed internationally.
