Staff Hand Book

MESSAGE FROM THE CHAIRMAN

**Dear Employees,
Greetings**

Welcome to M.I.E.T. Engineering College, a unit of M.I.E.T. Educational Institutions promoted by Mohamed Institute of Education and Technology Society (M.I.E.T) a Muslim minority society registered under the Societies Registration Act, 1975.

Whether you have just joined our staff or have been at M.I.E.T. Institution for a while, we are confident that you will find our Institution a dynamic and rewarding place in which you work, and we look forward to a productive and successful association. We consider the employees of M.I.E.T. Institutions to be one of its most valuable resources. We sincerely hope that your position with us is both rewarding and employee friendly.

This M.I.E.T. Staff Handbook is not a contract of employment. It was written to help you; get acquainted our M.I.E.T. Institution, to give you a brief explanation of our Moto, and to outline some of our policies and procedures. This Handbook will not answer all of your questions, but it will serve as a guideline to your relationship with M.I.E.T. Institutions. You can always feel free to approach any member of our management team for clarifications.

Our success is based on the personal attention and contributions of our employees. As a member of the team, you will make a difference. We will be depending on YOU. We are proud you joined our M.I.E.T. Institution and extend to you a warm WELCOME!

I acknowledge the exemplary team effort by staff members of M.I.E.T Engineering College who have assisted in the preparation of the Staff Hand Book. Their inputs and ideas have ensured that it is highly informative.

Er. A. Mohamed Yunus, B.E., M.Sc., (Engg)

Chairman

1. Introduction about our college

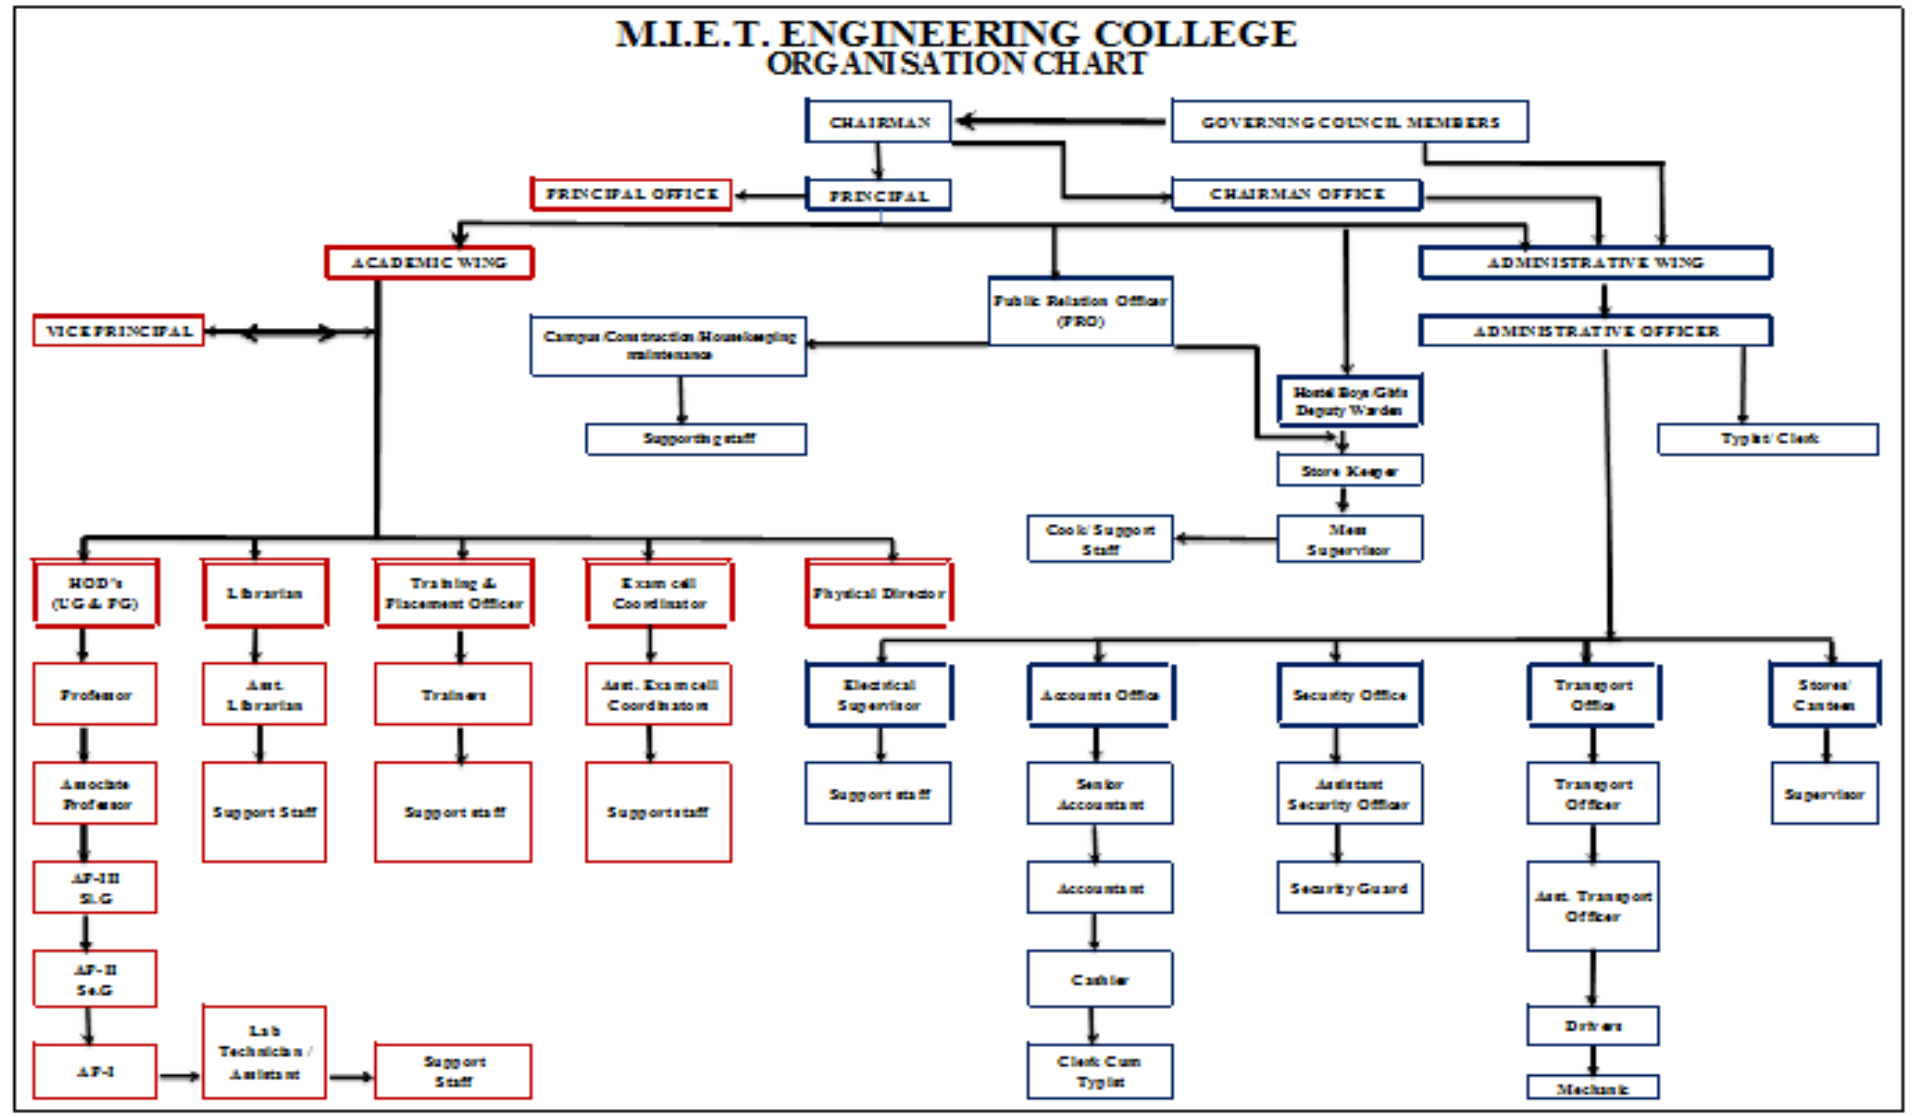

M.I.E.T Engineering College was established by the Mohamed Institute of Education & Technology (M.I.E.T.) Society, Tiruchirappalli in the year 1998 with an objective to promote the cause of higher education. The College is approved by AICTE, New Delhi and affiliated to Anna University, Chennai. It is recognized as a Muslim Minority Institution. It offers 5 UG Courses and 6 PG Courses.

Our Management extends its fullest support in building the institution as a center of excellence with technically superior, ethically strong and competent engineers. The serene campus vibrant with aesthetic bliss in an exhilarating convenient location, well connected by road, rail and air is easily accessible. The eco-friendly ambience creates and bestows a healthy learning atmosphere. The multi-disciplinary institution is meticulous by equipped with exemplary modern laboratory, workshop facilities and state of art computer center and an excellent infrastructure. Good number of Doctorates, qualified, experienced, versatile and efficient faculty members moulds the students diligently in ethical, moral and academic aspects. Active tutorial and Advisory services are given to the students to inculcate and harness managerial acumen, knowledge assimilation and respect for human and patriotism values with uncompromised discipline.

A Spacious, digital library of the institution is an epitome of knowledge to imbibe the reading habit with vast collection of Books, Newspapers, National & International Journals, Magazines, Reference books, Encyclopedia, World of science, ASM hand books and course materials. E-learning through NPTEL Video course by NIT and IIT Professors is available. The Training and Placement Cell works meticulously to improve and develop life skills and employability by unleashing the latent potentials of the students to confront with the global challenges.

The Research and Development Cell provides ample opportunity and scope for research with abundant resources. Various Club activities are conducted to encourage, motivate and inspire students from diverse culture to harness the talent through their perseverance. Excellent Play grounds, Indoor games and Gym facilities pioneer triumphant champions in continuity in the field of sports. The College Hostel is a home away from home which provides comfortable stay with all amenities. Industry-Institute interaction and real-time projects nurture and craft the budding engineers to bloom and flourish in the field with the prowess guidance of teachers.

15.5.1. The Heads and Doctoral Members of the departments have to interact and tie-up with industries/ NITs/IITs by visiting to their real research platform of their concerned research areas thereby making good relation with them to use their all resources for our students and college developments.

15.5.2. DA/TA will be given for those who are eligible to go for industry/ institutes visits to analyze the existing research trends in the engineering market and developing our college to meet the engineering challenges.

15.6. Central & State Government Funding/Sponsored / Collaborative Research Project Proposal Policies

1. The faculty shall apply for funding support from the Government / Industries, to do Sponsored/ Collaborative research based on the call for proposals from the agencies.
2. A Department Level Proposal Review Committee / Project Review Committee (PRC) shall be constituted that comprises of Principal Investigator, Subject Expert, HOD and senior members for proposal assessment.
3. The PRC shall forward the proposals upon review to the Vice Principal/Principal for approval towards the submission of proposals to the funding agencies
4. The Principal Investigator shall then submit the application along with supporting documents based on the approval to the Funding Agencies Website.
5. The PIs shall create a new Head of A/c and prepare a Stock Register with proper entries of purchase of recurring and Non-Recurring items upon sanction of the project by the funding agency.
6. The PIs shall appoint a Project fellow (if applicable) by means of advertising and then selection shall be done by conducting the interview based on the budget approval of the funding agency. The interview panel should be constituted with one external expert member along with PI and HOD or as prescribed by the funding agencies.
7. All periodic progress reports (Half yearly, Annual and final reports) as required by funding agencies should be submitted only after the approval of the Progress Review Committee that comprises of Principal, Co-Coordinator-R&D/ Vice Principal and expert members. The PIs shall submit the half yearly Progress Review Report to the Vice Principal/Principal concerned.

8. The PIs shall prepare Project Completion Report on completion of the project duration according to the guidelines of the funding agency.
9. The PIs shall prepare the Utilization Certificate (UC) duly signed by the Auditor.
10. The PIs shall submit the Project Completion Report, Utilization Certificate and Publications / patent list to the Sponsoring agency through the Vice Principal/Principal.

15.7. Intellectual Property Rights (IPR)/ Patent Registration Policy

M.I.E.T. Engineering College expects a greater number of faculty members and students to make more and more inventions. In this regard, any innovative work done in M.I.E.T. Engineering College becomes a property of M.I.E.T. Engineering College, the owner of the invention being the “M.I.E.T. Engineering College”. Any IPR filing hereafter should be in the name of “M.I.E.T. Engineering College” as a Legal entity with the concerned faculty members / students as inventors. The charges for filing patents or any other IPR will be met by the M.I.E.T. Engineering College for those inventors who don't have any project funding to support it.

The methodology for paying the IPR filing charges by the college as follows:

1. Your invention must be submitted to the R&D cell, M.I.E.T. Engineering College in the Invention Disclosure Form of the IPR.
2. A rigorous patent search will be made on each of the submitted invention and a detailed search report will be given to the inventors.
3. The inventors must go through the search report and must give a clearance to go for Patent filing process.
4. All the submitted inventions will be scrutinized for the patentability by a committee consisting of the Principal and the R&D Head along with suitable technical members in the field of the invention.
5. The recommended inventions will be filed for IPR protection. The M.I.E.T. Engineering College will bear the expenditure for those inventions which are carried out without any funding assistance as detailed below:

- i. M.I.E.T. Engineering College will pay 75% of the IPR registration expenditure. The remaining 25% should be initially borne by the concern inventors of M.I.E.T. Engineering College.
 - ii. If the patent is granted, the remaining 25% of the registration expenditure spent by the inventors will be reimbursed.
 - iii. M.I.E.T. Engineering College will pay the IPR renewal fees for the first seven years in all cases when patent is taken by M.I.E.T. Engineering College.
 - iv. After 7 years the inventors can pay the IPR renewal fees for their IPR, if they want.
 - v. The Inventions which are carried out under a project funding; the expenditure towards the IPR registration has to be met from the project funds.
 - vi. When faculty members write a project to funding agencies, they are requested to specify a component of funding for IPR filing and their renewals.
6. If the IPR is commercialized the inventors will get 60% of the total revenue generated by that patent.
 7. Also, if you have filed any IPR of your own such details may be given to R&D head of M.I.E.T. Engineering College keeping a record of the patentable research in our M.I.E.T. Engineering College.

Note: It is informed that all the IPR related issues of the faculties/faculty guided students inventions be routed through the R&D Cell of M.I.E.T. Engineering College.

15.8. Code of Research Ethics

The following are the codes of research ethics which express the ethical values to be practiced by all the staff engaged in academic and / or sponsored research activities at M.I.E.T. Engineering College.

1. To maintain secrecy of the research findings/technical information and to avoid communication of any official document or information to others without permission.
2. To commit no form of plagiarism during art-of-work and preparation and dissemination of reports and research articles.
3. To practice and promote justice in research.

16. Internal Quality Assurance Cell

Quality enhancement is a continuous process in an educational institution. In M.I.E.T. IQAC is a part of the institutions system and work towards the quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious and consistent improvements in the overall performance of institutions.

1. Ensures timely, efficient and progressive performance of academic tasks.
2. Ensures the relevance and quality of academic and research programmes.
3. Promotes modern methods of teaching and learning.
4. Checking the credibility of evaluation procedures.
5. Ensuring the adequacy, maintenance and proper allocation of support structure and services.

17. Performance Evaluation Policy

The Performance Appraisal/Evaluation is a benefit given to the employees in order to form a proper job matrix in the Institute. It helps the employees for self-development, student enrichment and contributes more towards the growth of the Institute and individual enhancement.

The faculty member shall submit the open and transparent performance report (Academic Performance Indicator-API) every year, containing the teacher's academic activities and achievements. The HOD shall offer his/her remarks and observation on the report. The Committee (Principal/HODs) shall review the reports and finalize. The assessment shall be used for the following purposes.

1. Award of annual increments.
2. Award of special increments and awards for superior performance.
3. Award of career advancement and promotion.
4. Monitoring and recording of the regular growth of each faculty member.

18.6 Academic Performance Indicator Version 3.0

With effect from 13.12.2019

FACULTY EVALUATION PROCEDURES

KEY PERFORMANCE INDICATOR

A Key Performance Indicator is a measurable value that demonstrates how effectively faculty members are achieving key institution objectives. Organizations use KPIs at multiple levels to evaluate their success at reaching targets. High-level KPIs may focus on the overall performance of the institution, while low-level KPIs may focus on processes in department levels.

KPI includes,

Sl. No	Key Performance	Category	Maximum Marks
1	Academic Performance	Category 1-3	750
2.	Contribution to Institutional and Departmental Activities	Category 4	150
3	Faculty Contribution to Branding and Institutional Development	Category 5	100
Total			1000

Note:

Minimum eligibility for applying API award for Faculty Members

CATEGORY 1 : 50 % of marks from 400 (200 / 400)

CATEGORY 2 : 20 % of marks from 250 (50 / 250)

Total : 40 % of marks from 1000 (400/1000)
