About the Institution

The M.I.E.T. Society founded by Janab Alhaj. Er. A. Mohamed Yunus, an industrialist and educationalist and Alhaj S.M. Hassan Mohamed in the year 1984, offers high quality education in an under developed rural and semi-urban region of Tamil Nadu. This society runs the M.I.E.T. Polytechnic College established in the year 1984, the M.I.E.T. Arts and Science College established in 1993 and M.I.E.T. Engineering College in the year 1998 in one campus. The Institution is focused on providing a vibrant and research oriented environment for students so as to give them an edge when facing challenging technologies and competition in their academic pursuits. The institution offers six B.E./B.Tech. Degree programmes and five M.E./M.Tech. Degree programmes in addition to MBA. The college campus has a well-planned network of blocks with various amenities such as Nationalized Bank, modern Central Library, well equipped laboratories, excellent hostel facilities, well-furnished canteen and sports facilities.

About the Department-MBA

Master of Business Administration (MBA) is a two year program affiliated to Anna University and approved by AICTE, New Delhi was started during the academic year 2009-10. The mission to develop Management Professionals with excellence is achievable due to stupendous care, discipline, elevated academic standards, value based education system and state of the art infrastructure that are accessible in the Department. The overall aim of our MBA department is to groom innovation, creativity and problem solving skills among the budding

managers to transform them into employable assets in the competitive corporate world. This program also equips students pilot the business world and renovate them to be the managers and leaders in the industry. The students are also developed to tackle complex business challenges and opportunities. Customary evaluation of teaching methods and in house training to faculty members craft the MBA Department to achieve the academic excellence.

THEME OF THE SEMINAR

- Risk Bearing
- Innovation
- Managerial Skill
- Creative and Leadership
- High Achievement Concept
- Professional
- Organisation and Coordination
- Business Oriented Concept
- Result Oriented Concept
- Personality and Identity
- Role transformation

To

The Principal

Dear Sir/Madam

Sub: Invitation for FDP Programme – 04.11.2016 to 17.11.2016 - Reg.

We are very much delighted to inform that we are organizing one week *FDP Programme* on “**ENTREPRENEURSHIP**” from 04th November 2016 to 17th November 2016 by the Department of Business Administration.

The main objective of the seminar would enlighten the participants about taking on financial risks in the hope of profit. We are enclosing the flyer highlighting the salient features of the FDP and request you to kindly display the same in your college and department notice boards in addition to encourage your students and faculty members to participate actively in the FDP Programme.

Looking forward to your energetic participation in making the event a grand success.

Thank you

With regards,

PRINCIPAL

About the Institution

The M.I.E.T. Society founded by Janab Alhaj. Er. A. Mohamed Yunus, an industrialist and educationalist and Alhaj S.M. Hassan Mohamed in the year 1984, offers high quality education in an under developed rural and semi-urban region of Tamil Nadu. This society runs the M.I.E.T. Polytechnic College established in the year 1984, the M.I.E.T. Arts and Science College established in 1993 and M.I.E.T. Engineering College in the year 1998 in one campus. The Institution is focused on providing a vibrant and research oriented environment for students so as to give them an edge when facing challenging technologies and competition in their academic pursuits. The institution offers six B.E./B.Tech. Degree programmes and five M.E./M.Tech. Degree programmes in addition to MBA. The college campus has a well-planned network of blocks with various amenities such as Nationalized Bank, modern Central Library, well equipped laboratories, excellent hostel facilities, well-furnished canteen and sports facilities.

About the Department-CSE

Computer Science and Engineering department offers both Under Graduate programme – B.E in Computer Science & Engineering and Post Graduate programs – M.E in Computer Science and Engineering. The UG department was established in the institution during the year 1998, with the intake of 40 and increased to 90 in the year 2004. PG was started in 2006 with the intake of 18. The Computer Science & Engineering department is committed to continuously improve the quality of education by enhancing the knowledge of student and staff members.

The department is strengthened with dedicated, qualified and experienced faculty members with specialization in various fields of interest. It is well equipped with laboratories having the latest configurations and software tools with Internet facilities. The Department has a comprehensive curriculum of Anna University on topics related to all aspects of Computer Software with an emphasis on practical learning. The course structure is up-to-date and includes courses on nascent topics to equip our students with the latest developments. The department presents a unique opportunity to study the exciting field with guidance of quality teachers.

THEME OF THE SEMINAR

- Introduction to IoT
- Working Principle of IoT
- Features of IoT
- Advantages of IoT
- Embedded Devices and System
- IoT Eco system
- IoT Decision Framework
- IoT Domains
- IoT Devices
- IoT Platforms
- IoT Communication
- IoT and Arduino

FDP Preamble

This One week FDP would enlighten the participants about the network of physical objects that are embedded with sensors, software, and other technologies.

Resource Persons

Dr.S. Prabu

VIT University, Vellore.

Dr. Swarnalatha

VIT University, Vellore.

Dr. AnnaPoorani

BIT Campus, Anna university, Trichy

Target Participants

Faculty members and students from AICTE approved Engineering Colleges, research scholars, participants from industries and R&D organization with relevant background can apply.

Registration Fee Details

Faculty / Research Scholar / UG and PG Students	: Rs.500/-
Industrial and R&D delegates	: Rs.750/-

The registration fee includes refreshments, lunch and kit.

The registration fee should be paid through DD drawn in favor of "The Principal, M.I.E.T. Engineering College" Payable at Trichy.

To

The Principal

Dear Sir/Madam

Sub: Invitation for FDP Programme – 17.04.2017 to 23.04.2017 - Reg.

We are very much delighted to inform that we are organizing one week **FDP Programme** on “**IoT and Applications**” from 04th November 2016 to 17th November 2016 by the Department of Computer Science and Engineering.

The main objective of the seminar would enlighten the participants about the network of physical objects that are embedded with sensors, software, and other technologies. We are enclosing the flyer highlighting the salient features of the FDP and request you to kindly display the same in your college and department notice boards in addition to encourage your students and faculty members to participate actively in the FDP Programme.

Looking forward to your energetic participation in making the event a grand success.

Thank you

With regards,
