International Women's Day Celebration "Sirpika 2K20"

Report

MIET Engineering College, Trichy organized "Sirpika 2K20" - An International Women's Day celebration on 10.03.2020 in the college Auditorium. "Sirpika 2K20" is celebrated to inspire women as a sculptress who carves herself through torments into perfection. The program had started with prayer song which our tradition is thereby invoking the presence of the almighty and to get his showers of blessing for all our future endeavors. Selvi A.K.Syesh Shereen of final year CSE delivered the welcome address.

Dr.A.Naveen Sait, Principal, felicitated the gathering and emphasized on the role of women personalities who have excelled in their own fields and their contribution to the welfare of the society and to the country subsequently. He highlighted that women are the sirpi's of each and every family and they are behind every successful man. He wished that in future each and every woman must be successful in their own life.

Dr.T.Karthikeyan, Director, articulated in his felicitated address that the world and the society is comprised of women in various roles such as mother, daughter, wife, sister each of them have a distinct love and bond with others. He spoke emotionally on mother as one who sacrifices anything for their family.

Selvi R.Karishma of final year CSE introduced the chief guest. **Mrs.N.S.Nisha, IPS., Deputy Commissioner of Police, Law and Order, Trichy city**, revered the occasion by her gracious presence as the Guest of honor. She précised that. "A woman must be financially independent in order to make herself successful and achieve greater heights". A woman should be taught to believe in protecting herself on her own and not to depend on a man for her protection. Success can not only be achieved in a particular field, whatever may be the field, if we work with dedication and hard work our life will be colorful.

International Women's Day Celebration 2K19 Report

MIET Engineering College, Trichy organized "Sirpika 2K19" - An International Women's Day celebration on 09.03.2019 in the college Auditorium. "Sirpika 2K19" is celebrated to inspire women as a sculptress who carves herself through torments into perfection. Selvi.R.Karishma of third year CSE Welcomed the gathering & Selvi C. Chandhini of second year ECE introduced the chief guest.

Dr.X.Susan Christina, Principal, emphasized the women personalities who have excelled in their own fields and their contribution to the welfare of the society and to the country subsequently. Every day reminds people that women are the best, so let every day be the women's day.

Dr.S.Samshath Begum, M.B.B.S., DGO. Joint Director of health services, Trichy District, revered the occasion by her gracious presence as the Guest of honor. She précised that. "Our mother is the only person who makes us realize our dreams. They are the people in our life who work all day and night". A woman should be taught to believe in protecting herself on her own and not to depend on a man for her protection.

About 450 students and 40 faculty members attended the function. Events such as Essay writing, Speech, Poem writing, Drawing, Singing, MIME show, Wonder out of Waste & Technical Project competitions were held on the topic of Women Empowerment. The winners & runners were selected and certificates were distributed. The winners from various departments articulated their performance on stage. Followed by this Mrs. Anitha, AP/Maths gave splendid speech regarding the role of women in today's society. Mrs. Megala, AP/CSE and Ms. Madhumitha, Final year CSE gave a super performance with silambam and fireworks on stage. The students and faculty proved that feminity is no bar in expressing ones talents.

First year ECE students gave a very splendid cultural programme depicting the role of women from birth to death and how she is neglected at every aspect of life, the various ways she overcomes all those challenges.

Finally M.Hina of second year ECE delivered the vote of thanks. The Women's day function "SIRPIKA 2K19" was a memorable event which was celebrated in graceful compoment.

Deenkulapenmani

(Deeniyath class)

Report

One of the greatest challenges facing our communities today is that although people have the motivation to advance their Islamic knowledge, there is generally a lack of effort in seeing it through. This is due to a number of obstacles which we intend to remove. Though Our campus conduct Deeniyath class. Deeniyath class has been trying to educate women on the basic islamic knowledge and moral education in the light of Qur'an and Sunnah .

The Resource person Zuvariya told about their aim is make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam. The best way to spread the teachings of Islam amongst the Muslim ummah is setting up an organized maktab(Deeni school) therefore it is the responsibility of every Islamic scholar, the custodians of masjid and people who are directly or indirectly involved in taking care of various Islamic organizations and institutions to work together with Idaara-e-Deeniyat and set up such organised maktab..After 15 years of utmost dedication, effort and experience, Idaara e deeniyat has been successful in shaping a syllabus, a system, a way of teaching and proper monitoring/supervising techniques that are a mandate for every educational institution.'

Finally vote of thanks was delivered by Ms. Aabitha Begam S

Women's Hostel Day - Hosta Fest'18

Report

Women empowerment cell planned to conduct Hosta Fest-18 for girl students. The word "Hosta" represents a rare flower which implies that women need to be cherished, cared like a flower and need special attention to bring out the talents in themselves like the flower spreads its fragrance through nourishing it.

This event was a finale of the series of events which took place for the one week including sports for students, cultural, fashion show, rangoli contest, drawing contest, creative art making, essay, poetry and speech.

The celebration started traditionally with the Qirath, followed by Tamil Thai Vazhthu by college choir. Dr.X.Susan Christina, Principal gave a welcome address. She cherished the gathering and congratulated the coordinators for successfully conducting the events for a week. Following this Alhaj.Er.A.MohamedYunus, Chairman delivered the Felicitation address and encouraged the students to continuously express their skills..

Followed by this the Chief was honored with shawl by the principal. Chief Guest delivered a very awesome speech to the students. She emphasized that women are the backbone of the family as well as the society. Women should strive towards uplifting themselves.

Students gave a fabulous cultural performance along with expressing their singing ability. Students revealed that they are endowed with numerous skills apart from conventional academics.

Prize was distributed for participated students. Students were delighted to receive the prizes from the Chief Guest, Chairman, Principal, Director and women faculty of all the departments. Women empowerment cell was privileged to honor the women workers who took part in maintaining the campus clean and tidy throughout the year. Finally vote of thanks was delivered by student.

Chief guests gives a speech about hijab: HIJAB IS NOT just what you are wearing, but it also what you do and say it is who you are...

Also the Resource person Aalima Saburani told about the aim of deeniyath class which make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success only in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam.

Personality Development Program - Report

Young adults today are under tremendous pressure in order to carve out a niche for survival in life. They are subjected to fierce competitions with peers not only in academics, but also in job hunting and establishing careers. It has long been felt that besides prescribed curricula, our students must be given additional training in relevant aspects so designed to widen their outlook and perspectives.

Accordingly a student-centric module on 'Personality Development Program' is conducted keeping in mind that the program should be simple to manage but rich in content and values.

The program was initiated by recitation of Qirath by Ms.Fathima Begum. The welcome address was delivered by Ms.Illakkiya, Mrs s.Roseline, Faculty in charge delivered the felicitaitaion address. Dr.Jayantha sri Balakirshnan was honored with shawl by the Principal.

Following this Dr.Jayanthasri Balakrishnan, Professor of English, PSG college of Arts and Science delivered the speech. She explained that the word personality is a board term. It combines in itself the characteristics and qualities which give us distinct identity which distinguishes us from others. Personality development is the outcome of so many factors which include will power, confidence, memory, smile, humor etc.,

She also added that in condition a large number of external, inherent and acquired qualities contribute to build up the personality. These qualities include integrity, humility, self respect etc., All these factors combine to shape the personality of a man. These cannot be cultivated within a day or two. It should be inculcated from early childhood. Both parents and teachers have a significant role in the personality development of a man. Then the vote of thanks was given by Ms.Swetha.

(Deeniyyath class)

Report

With an aim to render spirituality growth and discipline among girl students, this program "Deenakulapenmani" was organized which means women of great of discipline. The program was initiated by recitating Qirath from the holy Quran by Ms Ashika S.

The Resource person Aalima. Naseera Parveen told about the aim of deeniyyath class which make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success only in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam.

Finally vote of thanks was delivered by Zaina Zuhaina M.

Awareness on Women Fitness Report

WEC has taken an attempt to understand why the woman of the house is so unmindful of her personal health and well being. Women give low priority to their health across India, in rural, suburban and urban areas. Lack of awareness of the ailment or just ignoring a problem and postponing medical intervention further compounds the health problem. With an aim to spread women health awareness among girl students, this event was organized.

The program was initiated by recitation of Qirath by Rishvana Farveen M (IV CSE). The welcome address was delivered by Ms.Nasima Begum.S/IV ECE. Mrs. A.S Biji, Faculty in charge delivered the felicitation address. Mrs K.Bharathi, Guest of honor was honored with shawl by Mrs.A.S.Biji.

Succeeding this Mrs.K.Bharathi,Nutritionalist,Ts Nutrition Centre listed some common health issues faced by India women such as Anaemia, Malnutrition, Back ache, obesity, Depression, Diabetes, Hypertension, Heart ailments. She enumerated its causes symptoms and possible solutions. Apart from this she gave numerous tips to be healthy
