Deenkulapenmani

(Deeniyath class)

Report

One of the greatest challenges facing our communities today is that although people have the motivation to advance their Islamic knowledge, there is generally a lack of effort in seeing it through. This is due to a number of obstacles which we intend to remove. Though Our campus conduct Deeniyath class. Deeniyath class has been trying to educate women on the basic islamic knowledge and moral education in the light of Qur'an and Sunnah .

The Resource person Zuvariya told about their aim is make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam. The best way to spread the teachings of Islam amongst the Muslim ummah is setting up an organized maktab(Deeni school) therefore it is the responsibility of every Islamic scholar, the custodians of masjid and people who are directly or indirectly involved in taking care of various Islamic organizations and institutions to work together with Idaara-e-Deeniyat and set up such organised maktab..After 15 years of utmost dedication, effort and experience, Idaara e deeniyat has been successful in shaping a syllabus, a system, a way of teaching and proper monitoring/supervising techniques that are a mandate for every educational institution.'

Deenkulapenmani

(Deeniyath class)

Report

With an aim to render spirituality growth and discipline among girl students, this program "Deenakulapenmani" was organized which means women of great of discipline. The program was initiated by reciting Qirath from the holy Quran. "Islam has raised the status of woman from below the earth to so high that PARADISE LIES AT HER FEET" Surah-ah-Nisa explains about how women should be respected towards others in this society. Chief guests gives a speech about hijab: HIJAB IS NOT just what you are wearing, but it also what you do and say it is who you are...

Also the Resource person Aalima Saburani told about the aim of deeniyath class which make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success only in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam.

Aalema Pointed out importance of women by mentioning

Finally vote of thanks was delivered by S.Shana Begum.

(Deeniyath class)

Report

With an aim to render spirituality growth and discipline among girl students, this program "Deenakulapenmani" was organized which means women of great of discipline. The program was initiated by reciting Qirath from the holy Quran by Ms Ashika S.

The Resource person Aalima. Naseera Parveen told about the aim of deeniyath class which make people better human beings through the teachings of Islam and benefit the whole of humanity. This will help them to be successful in this world and the hereafter as Allah has placed success only in following the teachings of Islam. Islam teaches us about faith and worship, it also teaches us about proper reasoning, pure lifestyle and good character thus helping a person to reach the zenith of goodness and chastity. Hence it is obligatory upon every Muslim to dedicate some time from his/her busy schedule to learn and understand the teachings of Islam.

Finally vote of thanks was delivered by Zaina Zuhaina M.
