# DEPARTMENT OF MBA

---

---

The Department of Management Studies was started during the Academic year 2009-2010. The Department offers a two-year Postgraduate programme; Master of Business Administration (MBA) and the course is approved by AICTE New Delhi. The Programme is conducted by following the syllabus prescribed by Anna University, Chennai. The current sanctioned intake is 60. The Major core subjects taught in this programme are: Principles of Management, Organizational Behavior, Economic Analysis for Business, Financial Management, Marketing Management and Human Resource Management. The Department is under the constant care of a team of highly qualified and experienced teachers. The regular classes are conducted in fully equipped smart classes and a language lab serves the students to improve their communication skills. The MBA programme offers five elective subjects for the students to choose two out of them. They are Human Resource, Marketing, Finance, Logistics, Operations and Systems. Besides the general library, the Department has also a reference library stocked with recently published books in various fields of Management. This could benefit the students for instant reference to any topic of their interest. A bridge course is conducted for the first-year students to make them understand the basic principles of Management studies. The Department organizes several co-curricular activities such as Seminars, Workshops, Conferences and several competitions in order to enrich the knowledge and skills of the students. The Department encourages the students to organize Annual Symposium-TRIUMFAS, inviting students from other Institutions as participants and experts from Corporate, Industrial and Institutional sectors for delivering special lectures.

motivate the entrepreneurial skills among the students in Department to organizes PRENTICE Bazaar in which students arrange stalls, food courts, selfie spots etc., to gain exposure as a business person. Institution Industry interaction is established through signing of Memorandum of Association (MOU) with Synergy Trichy. This kind of industrial association helps to bridge the gap between academics and the industry. Industrial visits are regularly organized. The students are exposed to industrial environment and acquire practical knowledge on the various processes of the industry, such as Production, Transportation, Logistic and Marketing etc. "HR Meet" is regularly conducted by inviting HR personnel from corporate sectors to address the current challenges faced in the recruitment processes and students are allowed to clarify the type of expertise and skills required for increasing their employability. The MIET Association for Management Studies (MIETAMS) is a student forum guided by the teachers. Several Academic and co-curricular activities are conducted and special lectures by experts are organized through this association. The students are regularly placed in reputed companies such as Apollo, Wipro, Accenture, Cap Gemini, Karur Vysya Bank, Bajaj Finance and etc. through online or offline recruitments. The quality of the programme offered by the Department is also evidenced by winning several University Ranks by our students.

## **CHAIRMAN's MESSAGE**

Being in the current world is not a hasty track, the responsibility of creating a high-quality educational institution is challenging and embellished with a host of initiatives which validate them over an extended time span. Moreover, in a world where time and space are compacted, there is a massive defy for success which necessitates knowledge, which is current, pertinent and based on real experience. In this situation, the education plays a paramount role in moulding, shaping and preparing youngsters to face the challenges of the future world. The Faculty with an outstanding academic background and sound conceptual knowledge of contemporary engineering studies and practices ably complete the process of converting the budding students into employable technocrats. Moreover, M.I.E.T strives hard to sensitize its students to the needs of the community and inculcate values like truthfulness, fortitude and acceptance of individual differences. That this whole process is completed keeping in mind the College Vision, Mission and Quality policy is an achievement that the Faculty takes pride.

**Er. AMOHAMED YUNUS, B.E., M.Sc., Engg.**

## **PRINCIPAL's MESSAGE**

As the Principal of our esteemed college, I am immensely proud of all of you. You all have been inspiring us with your hard work and dedication, and have made us proud with your many achievements over the years.

As we look ahead to the future, I urge you to continue to strive for excellence and to never give up on your dreams. I am very happy with the progress the college has made by imbibing in its student's value-based education synergized with modern teaching-learning methods to produce a generation of well informed and emotionally sound generation. I am positive that in times to come we will continue this journey with elevated enthusiasm and persistently provide a platform of holistic learning to the young generation of learners. Our students graduate with the skills, mind sets and qualities that will best equip them for success. Come on let's give our best and make this institution a modern temple of learning through our diligence, devotion and dedication. Wishing you all the best...! in the world of the future. They are the future leaders and role models of society.
