### TRAINING AND PLACEMENT CELL

13.02.2020

#### A REPORT OF THE ETHICAL AND MORAL VALUES PROGRAMME- REG.,

The Training and Placement cell has arranged one day program on "ETHICAL AND MORAL VALUES" on 12.02.2020 for II year ECE students at 10.30 am to 01.00 pm in T&P seminar hall. Mr. G. MURUGANANDHAM AP / English was the chief guest and delivered the Chief Guest address. He said In educational institutions at all levels, the main objectives are not only to impart efficient knowledge to the students in terms of academic concepts, make use of modern and innovative teaching-learning processes and up-grade the system of education, but also to indoctrinate moral values and professional ethics. When educators are imparting information to the students in terms of lesson plans, when students are presenting themselves within the classrooms, when heads or principals are carrying out their job duties or when the staff members are carrying out technical and clerical job duties and so forth, all the members of the educational institutions need to be aware of moral values and professional ethics. Moral values and professional ethics, would help the individuals to perform their job duties well, form good terms and relationships with others and incur pleasure and contentment. The main concepts that have been taken into account in this research paper include, factors highlighting meaning and significance of moral values, types of values, factors leading to development of professional ethics, and development of professional ethics among educators In the beginning Mr. A.Robert Maria Vincent, T&P Officer welcomed the gathering and Ms. P.Delphine Mary, AP/ECE proposed vote of thanks.
