Alumni delivering their opinion to the students in Class

The Alumni insisted on the majors aspects that will enhance the employability of the students:

- The Alumni insisted the students to give good attention to academics and to complete the degree without any arrear.
- The Alumni stressed the importance of doing project with full concentration as most of the questions were raised to them from project only.
- They also requested the students to develop their communication skills which will help the students to face interview.
- The importance of attending Competitions such as Paper Presentation, Project expo and CAD MODELING were made to realize by the Alumni to the students.

Also, few students raised their queries which were addressed by the Alumni. The students felt motivated and also the Alumni were satisfied by the Alumni Guest lecture.
